**MARCUS AURELIUS ON INSURANCE PREPAREDNESS**  
Thus wrote Marcus Aurelius almost 2,000 years ago—  
"Since it is possible that thou mayest depart from life this very moment, regulate every act and thought accordingly." The advice of the philosopher is as sound today as it was then. A business man falls ill and becomes unable to create an estate for his old age and dependants.  
Our disability policy does both—by eliminating all risks and guaranteeing a man a monthly instalment as long as he or the beneficiary lives.  
You will find great advantage by entrusting your insurance to the Mutual Life of Canada. Let us discuss the matter with you.

**Cheque Artist At Hastings.**  
At Hastings a young man by the  
name of Pickle, employed by a farm-

operating was to call on business  
men, making a small purchase and  
offering a cheque for a larger amount  
and obtaining the difference in cash.  
Cheques were all drawn on the Bank  
of Toronto, Havelock.

**Received a Call.**  
Rev. W. H. Stevens, pastor of Pem-  
broke Methodist church for the past  
five years, whose term was extended  
for one year at the last conference  
at request has received an unanimous  
call from the Quebec Methodist  
church to become their pastor in
