NEARLY CRAZY WITH PAINS IN BACK

Read How Lydia E. Pinkham's Vegetable Compound Helped Mrs. Beecroft

Hamilton, Ontario.—"I have suffered for three years from a female trouble and consequent weakness, pain and irregularity which kept me in bed four or five days each month. I nearly went crazy with pains in my back, and for about a week at a time I could not do my work. I saw Lydia E. Pinkham's Vegetable Compound advertised in the 'Hamilton Spectator' and I took it. Now I have no pain and am quite regular unless I overwork or stay on my feet from early morning until late at night. I keep house and do all my own work without any trouble. I have recommended the Vegetable Compound to several friends."—Mrs. Emily Beecroft, 16 Douglas St., Hamilton, Ontario.

For nearly fifty years women have been telling how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast.

If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It has helped others, let it help you.

Contrast establishes value in everything; you can't feel especially BLESSED WITH TWO ARMS till you run across a poor chap who has lost AN ELBOW. You learn to appreciate what YOU'VE GOT through a knowledge of what the other fellow hasn't got—comparison brings out the difference. Now it works the same way with our Suits—the more you size them up with what others HAVE TO SHOW YOU, the more you will appreciate what WE HAVE TO SHOW YOU. This is true, not because I say so, but because I can summon an army of men right here in Kingston who will look you squarely in the eyes and tell you so. They are well known men that are not on our payroll. They care nothing about me or the way I make a living, but they care a lot about where they buy their clothes, and so The Lion is their store—all of which is said to drive home the point that somebody has got to steer you straight in the matter of Suits, and it ought to be The Lion Clothing House. You can't buy ANYTHING BETTER THAN THE BEST, and you can't get more value than the most, you will realize the best and the most when you ask to see Lion Suits, Conservative styles for the MAN WHO GOES TO CHURCH WITH HIS WIFE — sporty-looking models for young bloods—all of them in the latest patterns made to-day.
