What the Press Agents Say About Coming Attractions

At the Allen Today.

Patrons of the Allen Theatre are familiar with the photoplays of Rupert Hughes. He has written for Goldwyn several of the biggest screen hits of recent years.

At The Strand.

When Rex Ingram's name appears as the producer of a moving picture everybody knows the play will be one well worth seeing.

Although the players are listed as all stars it is well to bear in mind that Alice Terry, wife of Rex Ingram, plays the leading female role, ably supported by Jack Mulhall, who has won his way in the hearts of many moving picture followers.

The stage play enjoyed long-term runs equalled by very few others. In New York it ran 343 times, 319 in Chicago and 119 in Boston, a magnificent record.

WITH THE MILITARY UNITS

P.W.O.R. Members at Ranges—Public School Battalion Parade on Wednesday.

For the first time in the history of the local cavalry regiment, the 4th Hussars will undergo evening drill at the armouries, probably next fall, instead of the usual annual training camp in June, held either at Barriefield or Prescott.

Owing to the reduction in the militia estimates, and in common with units of every branch of the service in Canada, the 4th Hussars have been allotted training for only about thirty per cent. of the total strength of the regiment. This will allow one of the local squadrons to train approximately 60 officers and men in the armouries here next September and October.

The regiment is stationed as follows: Headquarters, "A" and "B" squadrons at Kingston; and "C" squadron at Prescott, Ont.

P.W.O.R. at Ranges.

About forty members of the 1st Bn., P.W.O.R., attended the target practice at Barriefield on Saturday last, this being the first shoot of the season for this unit. The scores were as follows: CQMS, Baker 56, CQMS, Smith 54, Cpl. McElroy 50, Pte. Honeysett 40, Pte. Raney 39, Pte. Carman 39, Pte. Desrosiers 37, Pte. Ryan 34, Pte. Hallam 34, Pte. Smith 32, Pte. Baker 27, Pte. Shaver 27, Pte. Bewes 24, Pte. Payne E. 22, Pte. Payne J. 21.

The adjutant's cash prize was won by Cpl. H. McElroy of "A" Coy., (sergeants not being eligible.) The battalion will continue to shoot each Saturday until further orders, suitable arrangements having been made for transportation to and from the ranges.

Public School Cadet Battalion.

The public school cadet battalion under the command of Major W. J. McManus, will parade at the armouries at 1 p.m. on Wednesday (Victoria day). All schools should be ready to "fall-in" at 1.15 p.m. sharp so that the parade may move off at 1.30, as the inspection is to take place in the Jock Harty arena at 2 p.m.

On Saturday last, the boys were given a work out in the form of battalion and company drill, a rehearsal for the inspection, in the armouries, and turned out over two hundred strong. The boys are very, very keen and the drill movements were splendid and deserving of great credit, and it is hard to say which is the best company or the best platoon. However, this will be decided
