What the Press Agents Say About Coming Attractions

"Smilin' Through."
Norma Talmadge's latest First National starring vehicle, "Smilin' Through," is coming to the Allen Theatre tomorrow for an engagement of three days.
Advance reports state that this is the most ambitious production yet made by Norma Talmadge. It is an adaptation of Allen Langdon Martin's stage hit of the same name, in which Jane Cowell appeared on the speaking stage.
Appearing opposite Miss Talmadge are two leading men, Wyndham Standing and Harrison Ford, and a splendid supporting cast, including Alec B. Francis.

At The Strand.
"Turn to the Right!" will finish its engagement at the Strand Theatre tonight and on Thursday "Three Live Ghosts" will be turned loose on the screen at this popular theatre. They have returned to give citizens of Kingston three days of real hearty laughter. Never before has a picture been sent from England that has enjoyed the popularity of "Three Live Ghosts." This includes "Half a Buton" and "The Better Ole." Both of these pictures were well received in Canada but neither of them enjoyed the great popularity of the "Ghosts" on return engagements. In Vancouver "Three Live Ghosts" played three weeks at one of the large theatres of the Famous Players Canadian Corporation Ltd., in Toronto Pantages packed their house for two weeks after which the picture went into the Strand theatre and drew very large crowds. In all the neighborhood houses "The Ghosts" went over big. Theatre manager after theatre manager has called for return dates on this British-made picture. It has done better business in many cases than return dates on "The Sheik." This is a big statement to make but it is true. "The Ghosts" in a British production through and through. It was taken in London, England, by Paramount's staff and actors, who make their homes in that great city. The only person from that side of the Atlantic who had any active part in producing the play was there in an advisory capacity in directing. When you see "Three Live Ghosts" at the Strand on Thursday, Friday and Saturday, you will enjoy many hard laughs and will be glad you are alive and in Kingston this week.

CITY'S HEALTH IS GOOD

A Nuisance Caused by Cows on University Pasture Ground.
At a meeting of the Board of Health Tuesday afternoon, it was reported that the health of the city was excellent. At present only one house is placarded and that is for scarlet fever.
Milk Inspector G. W. Bell reported that during April he examined 221 cows, made 44 dirt tests and issued 116 permits to vendors.
The medical health officer reported that complaints had been received regarding a nuisance caused from cows pasturing on ground owned by Queen's University on College Street. It was in the nature of a fly nuisance. The board decided to ask the university authorities to fence in its land so as to effect a remedy.
There was some discussion on the appointment of a venereal nurse. This matter is to be taken up with the provincial health department at Toronto by W. F. Nickle, M.P.
In attendance at the meeting were Ald. W. MacCall (chairman), Mayor Corbett, Mrs. D. A. Volume, Ald. F. J. O'Connor, and Dr. A. R. B. Williamson.

Seven Months in Jail For Farmer Who Had Still

Michael Mabo, of South Canoto, appeared before Justice of the Peace Allison on Tuesday afternoon, and pleaded guilty to a charge of having a still on his premises, contrary to the Inland Revenue Act. He was fined \$300 and costs and one month, and in default of payment six months additional. As he had not the wherewithal to pay the fine Mabo went to jail for seven months.

Diplomas in a Race.

On Tuesday afternoon at 5.30 o'clock, eleven dinghies of the Kingston Yacht Club, took part in a classification race. The wind was fairly light, but the little boats made a very pretty sight as they made their way around the course, which was from the home buoy to the Myles shoal, and thence to the waterworks, and home. Henry Hill came first, Dr. Bruce Taylor, second, and Dr. Bruce Hopkins, third. The best time was from 5.30 to 6.25.44.
A number of the members of the Kingston Rotary club went to Watertown, N.Y., on Wednesday morning to take part in the event being held by the Rotary club there.

SPORTING NEWS

The Gymkhana To-Day

The gymkhana and assault-at-arms by the R.M.C. cadets, the great spectacular athletic event ever held in the city of Kingston, opened at the Harty Arena, Queen's University, at 2 p.m., and the arena was crowded by citizens of all classes. The performance was truly marvelous and the audience was held in a constant state of expectancy so rapid and startling were the features. The R. C. H. A. band was in attendance and one of the important items on the programme was the inspection of the High School Cadet Battalion by Brig.-Gen. King, C.M.G., general officer commanding M. D. No. 2. The proceeds are in aid of the Kiwanis Club Charity Fund.
This assault-at-arms is quite different from that given last year in the Armouries for one of the most notable displays is shown in the mounted sports and contests carried out under the direction of Captain Bray, riding master of the college. No person should miss seeing the thrilling feats on horseback for the horsemanship is unsurpassed by that of any big circus.
The horses and riders have been trained to the point of perfection and their wonderful work constitutes a show in itself. The audience showed its appreciation by hearty applause, and if the success of the afternoon performance is any indication of the popularity of the event, the Arena will be taxed to capacity to-night.

Sunday School Baseball.

At a meeting of the executive of the S.S.A.A. held on Tuesday evening it was definitely decided that three baseball leagues will be run in connection with the association during the summer months. There will be a junior, senior and girls' league. The following schools entered in the senior series: Sydenham street Methodist, Queen Street Methodist and Cooke's. The junior entries were Sydenham street Methodist, St. Andrew's, St. Luke's, Princess street Methodist, Queen Street Methodist and Cooke's. Three schools, namely Sydenham, St. Luke's and Princess were prepared to enter the girls' league. It is very likely that some teams representing St. James' church will be entered in the league before the schedules are drawn up.
A committee composed of Messrs. Connolly, Connor and Donnelly was appointed to select referees who will handle the games. C. S. Litton, who was convener of the sports committee, asked to be relieved of the duties and the executive accepted his resignation with regret.
The senior games will be played on Tuesday and Thursday of each week; junior games on Monday and Friday, and the girls' games take place on Wednesday. The games will consist of nine innings, commencing at 6.30 p.m.
A committee was appointed to draw up the schedules. The first game will be played on Thursday evening, June 1st, when Sydenham street Methodist and St. Luke's will clash.
All games are to be played at the diamond, which has been built on Victoria park.

K.C.I. Field Day.

K.C.I. field day is to be held in Queen's stadium on Friday at 9 a.m., and Captain Harry Law has seventy-five athletes under training for the big event. On Tuesday, a pyramid was built up on the K.C.I. campus, in which thirty boys took part. The pyramid attracted the attention of a large number of spectators and a photograph was taken. The events for the field day include both senior and junior three mile, one mile, half mile, 440 yards, 220 yards, 100 yard dash, putting the shot, discus throw, running high jump, running broad jump, standing jump, five mile bicycle race.
Girls events: One mile, 100 yard dash, 50 yard dash, wheel barrow race, hop-step and jump, bicycle race, running high jump, running broad jump, throwing baseball.
E. O. Silliter will be in charge and Captain Law will have personal direction of the events.
A baseball game between K.C.I. and Gananoque is to be played in the cricket field this afternoon.

LAKEVIEWS WIN OPENER

In the Inter-County Baseball League - Defeat Parham 8 to 3.
The Inter-County baseball opener Tuesday evening at the Cricket field resulted in the score of 8 to 3 for Lakeviews. The contest was fair but there was very little team-play. Scrimmager in the pitcher's box for the locals went six innings. His opponent, Lee, of Parham, was knocked out of the box in the third. It was rather a see-saw affair but the Lakeview boys seemed to have better fielding support.
Zimmerman pitched a great game and was the cause of the Lakeviews' winning. He was steady himself and also steadied the rest of the team. He is a newcomer to the game here as far as is known, but he should make good this summer. McCulloch in left field grabbed off every-thing that came his way, and played a good game all through, while Purvis also played well.
For Parham, J. Howes was rather good and hit very good, while R. Bender and W. Lee were also in the limelight. E. Barr replaced J. Lee in the box in the third inning and allowed four hits while he struck out four also. His pitching was very good but the support was not up to much at times.
Mayor Corbett threw the first ball about half past six, the game being half an hour late in getting started, and E. G. Barrett of the Whig went behind the plate, while J. Lee of Parham was at the bat. The mayor's delivery was knocked for a row but it went foul. Parham scored two runs in the first inning. J. Lee got a hit, stole second and scored on a hit by Barr. J. Howes also contributed a run after being safe at first on a fielder's choice he stole second and scored on Bender's hit. Parham got one more in the third. E. Barr hit safely. J. Howes went out to Blomley. W. Lee struck out but R. Bender was safe on an error of Meredith's; but E. Barr scored. Wagar was caught at first.

Lakeviews scored one in the second when E. Watts scored after getting to first on an error of Meredith's, and the next man walked and then Blomley got a hit scoring two runs. The next two struck out. Five more were added in the third innings when Scrimmager, Purvis, Watta, Compeau and McCulloch passed over the plate. H. Bird and Compeau scored again in the seventh inning running the total up to eight.
Fraser Smith handled the game to the satisfaction of all concerned and also settled a little argument that came up in regard to playing the same man in a game the second time. The teams:
Lakeviews - McCulloch 1f, Com-

QUEEN STREET CHURCH

Annual Meeting Tuesday Evening - A Year of Progress Is Reported.

The annual congregational gathering of Queen Street Methodist church was held in the church hall on Tuesday evening, with a splendid attendance. The opening exercises were conducted by the pastor, Rev. W. S. Lennon, and reports were then read and adopted from the various organizations with the church, showing a year of progress.
The Sunday school report was read by F. T. Paynter, who remarked that the roll now numbered 915 members, and the average attendance 250. The school had contributed \$144 to missions, expended \$573 for supplies, and \$102 for Christmas gifts, making a total of \$848. The Epworth League report, also presented by Mr. Paynter, showed subscriptions of \$56 to missions, and a total of \$107 raised.
Mrs. W. S. Lennon presented the report of the Ladies' adult bible class and a very successful year. The treasurer's statement, presented by Mrs. T. R. Carnovsky, showed a total of \$878 raised, of which \$300 went to the anniversary fund, and \$128 to the rebuilding fund.

Mrs. H. Jones read the report of the Women's Missionary Society, and stated that the society had accomplished some really wonderful work under the leadership of the retiring president, Mrs. G. Vailant. A total of \$395 was raised for mission work.
Robert Crawford, treasurer of the rebuilding committee, stated that the church had been built under trying circumstances, but finished with a clean sheet. He was very happy to report that owing to the generosity of the Ladies' Aid in donating \$125 the fund was now closed with a balance of \$38. The total cost of rebuilding had been \$32,007.11, of which \$25,737.57 had been insured against cognizance of \$1,000 held by the trustees from the 'Young Ladies' Guild of the church.
Following this report, a resolution of appreciation for the services of Capt. Crawford was passed. The resolution was moved by Fire-Chief James Armstrong, seconded by Judge H. A. Lavell. The latter pointed out that when the church rebuilding was started, there was a debt of \$1,500, and that now the debt was being closed with only a debt of \$1,000, owed "within the family," and not requiring urgent hall rebuilding began.
W. J. Lee presented the church report for the year, the financial statement showing a balance of \$166.40. After this report had been adopted the pastor, Rev. Dr. W. S. Lennon, summed up the various reports and

Sprained His Ankle.

Upon enquiry at the General Hospital Wednesday it was learned that Major-General Sir A. C. Macdonnell who was injured on Tuesday is very much better, and will probably be out in a day or two. The general was hurt while mounting his horse during the manoeuvres of the cadets, and received a badly sprained ankle.
General regret was expressed at the banquet on Tuesday evening with regard to the unavoidable absence of General Macdonnell, who was to be one of the speakers of the evening. Some very fine tributes were paid to the R.M.C. commandant by the speakers at the dinner.
