HARDHITTING FEATURES THE COUNTY GAMES

Thirty-four Runs at Odessa—Good Game in Spite of Errors.

By staging a rally in the ninth innings and thereby scoring two runs, the Sydenham team defeated the Lakeviews of Kingston by 10 to 8, in an exciting Inter-County game played at the former place on Saturday afternoon. The ninth opened with the score a tie, 8 all, but the visitors failed to tally. A double and a single did the trick for Sydenham, and Bliss and Dubois crossed home plate, with one run to the good. Scrimmager in the pitcher's box for the Lakeviews did some splendid work, but the game was lost owing to errors at critical periods. There was a fair crowd out for the game.

Odessa 19, Enterprise 15.

There was a regular rampage of runs in the Odessa-Enterprise game on Saturday afternoon at the former village, but the home team battled their way to a 19 to 15 victory. From the first innings, the boys on both teams clouted the ball hard and often and it soon became apparent that it was a case of how many runs were to be scored rather than a battle of pitchers. B. Cairns slammed out a homer for Odessa in the second innings. The home team blew up in the seventh, and allowed 6 runs in, but they were steady in the eighth and ninth. Stanley Trotter, Kingston, handled the game.

An interesting feature of the contest was that father and son formed the battery for Odessa. B. Cairns was in the pitcher's box, and told his dad, R. S. Cairns, at the receiving end, that he must hang on to the hot ones. The "old man" missed a few and he was severely hauled across the coals for his mistakes. The catcher was heard to mutter something to himself about "Them days is gone forever."

Yarker Wins. In rather a poor exhibition of baseball, Yarker won from Adolphustown by 18 to 8 in the Inter-County league fixture at the latter place on Saturday afternoon. Aided by errors in the outfield, and by timely hitting the visitors swamped the home team from the beginning, and there was little doubt of the issue after the first two innings. The home team

had rather the edge in the last five stanzas, H. Smith twirling good ball and holding the victors runless after the fourth. Adolphustown scored twice in the seventh and once in the eighth, but the visitors lead was too big to overcome.

There was a good crowd for the event, and judging from the turnout baseball is due for a big revival in the district. The home team has had an even break in their first two games, and a better showing is promised for the future. Mr. Stewart, of Yarker, handled the game. Adolphustown lined up as follows: Cruise, p; H. Smith, p; H. Smith, c; Ellison, c; Brout, cf; H. Pollard, 1b; Roblin, 3b; A. Cruise, 2b; Brout, ss; Gallagher, lf; A. Allen, rf. The batteries for Yarker were Richardson and Warner. Yarker . . . . . 18 Adolphustown . . . . . 8

Islanders Going Strong. Wolfe Island journeyed to Farham on Saturday and walked away from the home team there by the score of 18-12. Wolfe Island took only seven innings as they did not have very much time to catch the train but they allowed the Farham team to take their full nine innings. The ground was in bad shape and caused a number of errors and gave a number of hits that would not have been counted as such on a smooth field. Wolfe Island gathered sixteen hits. C. Connolly and Ryan making two three-baggers. Howes was good and contributed much towards the game while W. Lee got three two-baggers.

The teams: Wolfe Island—Larush, 3b; Ryan, 1b; Spoor, ss; McDermott, p and lf; C. Connolly, c; Keill, 2b; C. Connolly, cf; McDonald, rf; Goodfriend, lf and p. Printers vs. Bankers. A good "equint" at the ability of the players in the Mercantile League was given to the local fans on Saturday afternoon, when an exhibition game was played on the Cricket Field between the Printers and the Bankers, the former winning out by 8 to 5. The game was the first real contest the local teams have had this season, and enabled the respective team managers to pick out their available material. McIntyre and Curran, for the winners and losers respectively, pitched good ball and both got some real stuff on the pill before the game was over. The session was for seven innings. LITTLE BITS.

The small boy drags unwillingly to school. And falls in mathematics—sinful youth— Flops in arithmetic—and yet that kid can tell you all the records of Babe Ruth! The Old Fan promises to be out for the game to-night, but offers no prophecy as to the result. Says the O.F. "It looks as if these boys will be playing some good ball this summer, even if they haven't got such classy uniforms."

Speaking of runs, during the four games played in the Inter-County league on Saturday, there were a total of 108 runs scored. The highest scoring was made in the Odessa-Enterprise contest when 34 runs were tallied.

WILL KINGSTON BE AGAIN A RUGBY CENTRE?

Hopes That a Senior Team Will Be Organized to Enter the O.R.F.U.

Those interested in rugby are stirring themselves in the hope that a first-class senior team can be made possible for entry into the O.R.F.U. Kingston has assuredly the material to shape into good form, and—if such should happen—even a defeat at first would be expected but this should not discourage the projectors for it takes several seasons to thoroughly organize a good team.

team against R.M.C. at the George Richardson Stadium. The R.M.C. team will play gratis, in order to help the finances of the new club, and the athletic authorities at Queen's are also lending all assistance, so that the Limestones will receive 75 per cent. of the gate receipts. The rumors that the Ponies will be playing again within the next few weeks seems to be gaining ground.
