A RARE TREAT FOR SOLDIER-PATIENTS

The Kiwanians Gave Mowat Inmates a Night of Delight.

The patients of the Mowat Hospital, Portsmouth, were the guests of the weekly luncheon held at that institution on Monday evening. It was a banquet rather than a luncheon, and in addition to the usual Kiwanis style of entertainment, that makes it different from any other club, a splendid programme of music and addresses was put on. It was a rare treat for the soldier-patients who broke from the regular hospital routine to enjoy two hours that was just a continuous round of merriment. The Kiwanians assembled at the Market square at 6 p.m. and a procession of automobiles was formed up and proceeded to Portsmouth. The club was present in full force and numbered about ninety. Upon reaching the hospital the sick committee consisting of President Noble Steacy, H. Milne, Joe Hanley, R. J. Wilson and Stewart Robertson visited all of the patients in their pavilions and rooms distributing cigarettes and bouquets of sweet peas. The heartiest welcome was extended by Dr. Hopkins the staff and patients, and from the moment of arrival all caught something of the Kiwanis spirit which was reflected in every part of the institution.

The luncheon was served in the big dining room in the main building. The tables were decorated with flowers, and presented a blaze of color. About seventy patients sat down with the Kiwanians, each member having a patient as his guest. Special tables had to be set on the verandahs. Everything went off with a bang from the start. Garret Lockett was in charge of the music and, in addition to Kiwanis songs, he provided the best vocal and instrumental talent procurable. Trencor's orchestra played throughout the evening and songs were sung by Harold Skinner, baritone, Gananogue: Harold Singleton, tenor, Jack Elder, Kingston's "Harry Lauder," and the Kiwanis Quartette, consisting of Messrs. H. W. Newman, F. J. Wilson, W. McCallum and H. Singleton.

W. J. O'Brien, of the Imperial Tobacco Company, was the booster, and he provided a package of Player's cigarettes for every guest. Kiwanian O'Brien is a valued member of the club and upon being introduced by Billy Moore, he received a most hearty salutation.

The roll call was full of amusing incidents, few members escaping fines owing to the vigilance of the president. Henry Richardson, as sergeant-at-arms, was kept busy, and he performed his duty in a most efficient manner. At one point in the proceedings all who had not been fined since joining the club were asked to stand. Only one, W. McLean, a new member, rose and was promptly fined.

The following were the prize winners: R. D. Andrew, Miss Hinchie, Miss McNamee, Miss Briggs, H. P.

FIERY, ITCHING SKIN IS QUICKLY SOOTHED WITH THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and the after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up.

A small jar of Mentho-Sulphur may be had at any good drug store.

Pain in the Loins Driven Out Quickly

That dragging, wearying sort of pain makes life a misery to many people. This pain is due to a passive inflammation of the adjacent tissue. Because every drop rubs in, because it penetrates so deeply, Nerviline gives a wonderful result. More powerful because five times stronger, more penetrating because it strikes through soft tissue, more healing to pain, Nerviline Liniment should be always on hand. Sold everywhere in large 25 cent bottles.

KINGSTON YOUNG MAN A MISSIONARY TO INDIA

Lieut. Reginald Tidman to Represent the Salvation Army Abroad.

Kingston will be represented in the foreign mission fields by another young man, in the person of Lieut. Reginald Tidman, a son of Mrs. G. Tidman, 101 York street, and a former member of the local Salvation Army corps. Lieut. Tidman sailed this week for England on the S.S. Empress of Britain to take a special course of study prior to sailing for India in which country he will labor.

He passed through the Salvation Army Officers Training College and has but recently returned from two years in Bermuda where he was stationed. With a party of nine from Toronto who have volunteered for foreign work in India, Lieut. Tidman will take the two months' course of study of the language and conditions of the country to which they are going. Seven years is the length of the periods before these men will receive a furlough to visit their homes again.

Lieut. Tidman was able to pay but a flying visit to his home in the city on account of the uncertain sailing of the ship on which they were to travel.

Additional Evidence as to why Dodd's Kidney Pills are Known all over Canada as Suffering Woman's Best Friend.

Birch Plain, Victoria, Co., N.S., May 29th (Special).—"Dodd's Kidney Pills are a wonderful remedy for kidney trouble." These are the words of Mrs. Ewan McQueen, a highly respected resident here. And Mrs. McQueen speaks out of her own experience.

"I have been taking Dodd's Kidney Pills for some time," she says, "and I can't speak too highly of them. They have been of great benefit to me. I always keep some of them on hand."

All over Canada Dodd's Kidney Pills are recognized as suffering women's best friend. They act directly on the kidneys, making them strong and healthy. Diseased kidneys are the cause of nine-tenths of all the ills women are heir to.
