Give Your Eyes the Consideration Due Them

Seeing is by far the most important sense of the human body. And still it is the one most frequently neglected.

If your power of speech were impaired, or your hearing below normal, you would not hesitate about consulting a specialist—and yet good eyesight is

the easiest to restore if taken in time.

If you do not know what it is that is troubling your eyes, or if you are in doubt as to your seeing power, we invite you to allow us to make a thorough test to convince yourself of the truth.

ENCOURAGING REPORTS ON CHURCH ACTIVITIES

Presented to the Conference—Wesleyan Alumni Hold Banquet.

The reports of the missionary, educational and evangelism and social service departments of the General conference were presented to the Montreal conference at its Monday evening session. Rev. J. D. Ellis, a past president of the conference presided.

The report of the Women's Missionary society was given by Mrs. W. H. Henderson, Ottawa, president of the Montreal branch of the W.M.S. She told of the present excellent condition of the work and the increases that have been made both in the establishment of women's missionary organizations and in financial givings.

Rev. C. D. Manning, of the Home Department of Home Missions gave the report of his department showing that during the last quadrennium the givings had greatly increased, so also had the magnitude of the work so that there were deficits last year and the prospect will be that a similar situation will have to be faced this year. He urged on the conference the importance of doing what they can to help the situation. He stated that the church could not afford to withdraw any missionaries and the responsibility for keeping them in the field lay with the people. A special effort must be put forth in missions.

The educational department was represented by Rev. J. W. Graham, general secretary of the department who explained that financially the department was holding its own and he told of the great work being done in the Methodist college. He stated that while the number of probationers was decreased he was not alarmed at the fewer numbers for on account of the prospects of consolidation and union he considered that the church would have all it could digest. He pointed out that the missionary department must necessarily be dependent on his department for the training of their men and women.

Rev. G. I. Campbell, of the department of evangelism and social service, gave a report of that branch of the church's act work. He spoke of the attitude of the church to the prohibition question. He stated that the drug evil had not been increased by prohibition but had rather decreased. He quoted figures to show that the amounts of narcotic drugs imported was steadily decreasing and also the number of convictions for infractions of the narcotic law. He stated that as compared with 1,394 convictions in 1920, in 1922 there had been 836 of which 315 had been in British Columbia and 237 in Quebec. Mr. Campbell also spoke of the social service work.

The report of the conference Board of Trust was presented by the treasurer, J. W. Knox, Montreal. The officers of this board for the ensuing year are president, Dr. M. Taylor, Rev. F. A. Read, Rev. W. Howitt, J. W. Knox, treasurer, and William Thornburn.

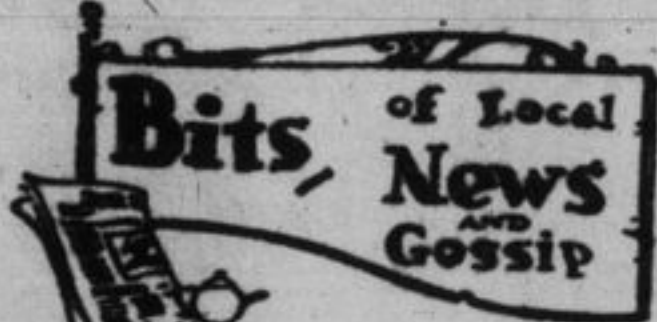

Wesleyan Alumni. The Wesleyan Alumni of the Montreal conference held their annual banquet in the Belmont Monday evening when seventy-five were present. The president of the association, Rev. L. H. Fisher, Ottawa, presided. Following the singing of "The King" a silent toast to deceased graduates was observed. The toast to honored graduates recognized among others, Rev. T. A. Halpeny recently appointed principal of St. Anselm College, and Rev. W. S. Lennon, D.D., who was honored with the degree of D.D. at the last convocation of Wesleyan. Dr. James Smyth and Dr. W. A. Gifford replied to the toast of "The Faculty." The election of the new executive resulted: President, Rev. F. B. Halpeny; vice president, Rev. W. T. Halpeny; secretary, Rev. R. P. Stafford, assistant secretary, Rev. W. C. A. Wilson.

The alumni are making preparations to commemorate next year which will mark the jubilee anniversary of Wesleyan. They are considering the establishment of an endowment fund.

OBITUARY

The Late Joseph Potter. The remains of the late Joseph Potter, who passed away at Calgary, Alta., on May 4th, were brought to Kingston on Tuesday, via the G.T.R., and the funeral took place from the residence of his sister, Mrs. William D. Dick, 219 Frontenac street, at Cataract cemetery, at 2.30 p.m. Tuesday, under the direction of John Cornelius. Rev. Dr. R. J. Wilson officiated.

Another Locomotive Works Rumor. There was a persistent rumor on the "street" on Monday that the locomotive works would be purchased by the Baldwin Steel Corporation in the near future, and that tractors would be produced by the big works. No foundation could be established for the stories going the rounds, but the rumor caused a considerable flutter of excitement. This makes the third "story" which has been circulated during the past few months with regard to the future of the local works. First it was Henry Ford bidding for the local interests, then the Dodge Brothers' firm, and now the Baldwin Corporation.

Kingston had another fine shower of rain on Monday night.

Mr. Swaine, piano tuner, orders received at 100 Clergy street w. Phone 564w.

Dr. Skelton has sailed for England. He will be away for three months.

The police patrol (or Black Maria) has been overhauled and given a coat of paint.

Seventy-nine years ago on Monday, June 5th, the corner stone of the city buildings was laid.

On Friday the S.S. Toronto will begin her runs out of Kingston. On June 21st the daily service will begin.

Mrs. W. H. Hall, Brock street, received on Saturday a cable from Mr. and Mrs. Locke, saying they had arrived safely at Clapham, London, Eng.

The city council meets at 7.30 o'clock this evening, owing to the dinner to be tendered the visiting superintendents of Ontario Homes For the Aged.

Alfred Smith, formerly of this city, but now of Welland, is manager of the big fertilizer manufacturing plant in that place. His friends are pleased to learn of his progress.

The monthly meeting of the V.O. N. was held in the committee room of the city building on Thursday, June 1st, with a good attendance.

Very satisfactory reports were received from the nurses: Number of visits for the month of May, 398; infant welfare, 214; social service, 82.

LUMBERMEN OPPOSE

The Crow's Nest Pass Railway Wagon Agreement.

A. E. Clarke, representing the Canadian Lumbermen's Association, composed of manufacturers, lumber and wholesale dealers, told the committee on transportation rates this morning that accepting the statement of the railways as to the effect of the return of the Crow's Nest Pass agreement, they were unalterably opposed to such a return. The lumbermen were also opposed to the agreement on the ground that in opinion of transportation interests it would mean the preventing of reductions on basic commodities.

IN MARINE CIRCLES

Up: Glenellah, City of Hamilton. Down: City of Ottawa, Vainmont.

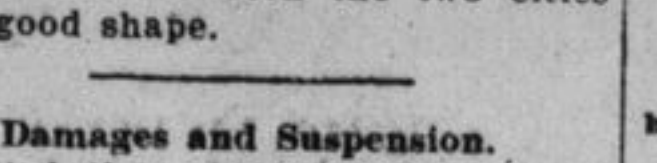

Arrived: Jeska, Oswego, coal. The steamer Fort DuQueane is still in the Collingwood Shipbuilding Company's drydock undergoing repairs.

A Bad Piece of Road. A number of Kingstonians who motored to Belleville and other towns along the Bay of Quinte over the week-end, describe the highway between Napanee and Westbrooke in most picturesque language.

The road is in very bad condition and the numerous deep holes made travelling by motor dangerous to cars and passengers alike. The remainder of the road between the two cities is in good shape.

Damages and Suspension. Port Arthur, June 6.—As a result of the inquiry at Port Arthur concerning the collision on Lake Superior, during a fog on May 18th, between the steamer Midland King, of the C.S.L., and the steamer Glenannan, of the Great Lakes Company, the masters of the two boats and the first mate of the former vessel, are suspended for periods of from two to three months. The Midland King received damages estimated at \$35,000.

Place Wreath on Grave Of Sir John A. Macdonald

On Tuesday, the president of the Kingston Conservative Association J. F. Sowards, accompanied by Matthew Hanson, H. C. Nichol, Henry Richardson, John McGill and R. N. P. Macfarlane, motored to Cataract cemetery and placed a wreath on the grave of Sir John A. Macdonald. This is the thirty-first anniversary of the death of the great Conservative chieftain, and on every anniversary the Kingston Conservatives have paid their respects to his memory by the simple ceremony of decorating his grave.

COMMITTED FOR TRIAL

To Answer to Charge of Committing Illegal Operation. At the police court on Monday morning, Dr. A. W. Richardson was committed to stand trial on a charge of having committed an illegal operation on one Mrs. John Lackie, Joyceville, on February 16th last.

The accused pleaded "not guilty" through his counsel, T. J. Rigney.

The only evidence taken was that of John Lackie, husband of the woman, and it was the same as that given at the inquest and published in the Whig.

The magistrates committed the accused to stand trial before a judge and jury, and the case will come up at the June sessions of the peace, which open on June 13th.

After the evidence of John Lackie had been given, Crown Attorney Whiting asked for a committal. Bail was fixed at \$15,000, the accused putting up \$6,000, with two other sureties of \$2,000 each.

Returns From Trip. Fred Reid, of the firm of James Reid, returned on Monday from a trip by automobile through the State of New York. He visited Syracuse, where he spent two weeks at the Simmons Embalming School, and also visited Niagara Falls, Buffalo and Welland.
