COUNTY GAMES SATURDAY

Wolfe Island and Parham Win at Home—Hard Hitting Contests.

Four games in the Inter-County League were played on Saturday afternoon, and Wolfe Island, Parham, Yarker and Adolphustown were the winners. The games were all good, in spite of the large scores, and were witnessed by big crowds. In the Frontenac group, Sydenham and Wolfe Island are tied for first place, while in the Lennox and Addington division, Yarker holds sway on top.

Sydenham Drops Hard.

At Parham on Saturday afternoon, the visiting Sydenham nine were defeated by 11 to 1, in a rather one-sided contest. The Parham boys excelled at the bat, and knocked out 16 safe clouds to the visitors' 5. Weakness in the field also contributed to the defeat. The home team played almost faultless ball, having only one error chalked up against them, and richly deserved the victory. Foxton saved Sydenham from being whitewashed by crossing the plate in the 8th inning, after stealing second and getting a boost by Dubois' single.

Another For Wolfe Island.

The baseballers from Verona journeyed to Wolfe Island on Saturday afternoon, and journeyed home again at the small end of a 10 to 1 score. The game was good nevertheless and was witnessed by a record crowd. The island boys pounded out 14 hits off Truesdale, while the visitors only gathered 3 safe ones from Goodfriend. Verona tallied in the 8th, and the home team crossed the home plate three times in the 1st, thrice in the 7th, and four times in the 8th. For the visitors, Martin and Craig excelled, and Spoor and Keill were the best for the island.

Yarker 12, Odessa 6.

In the best game of the season so far at Odessa, the home team handed a ball game to Yarker on Saturday afternoon when they lost by 12 to 6. There was a splendid crowd on hand for the contest, but the local fans were disappointed by the defeat. Both teams played almost errorless ball, and the issue was in doubt until the final two innings.

Adolphustown Wins. Adolphustown invaded Enterprise on Saturday and returned home with a 18 to 5 victory to their credit, after a game which was exciting in spite of the large score. The visitors were heavy hitters, and also played a splendid defensive game.

Toronto Boy Conquered. Torontonians were exceedingly well pleased at the splendid showing of Johnny Durman in the elimination contest at Philadelphia on Thursday evening when the youthful Argonaut sculler was the runner-up to W. E. Garrett Gilmore of the Bachelors' Barge Club, the latter qualifying, too, for the Gold Challenge Cup race. It was a case of youth vs. an experienced sculler. Young Durman was by no means disappointed; he fully realized the size of the job he was attempting to fill. That he more than measured up to it cannot be disputed. The youthful sculler demonstrated by his both experienced and tried scullers, one of whom was a former champion, that he is rapidly coming to the front.

While Gilmore's victory was won with comparative ease—six boat lengths separating him and Durman, the latter being ten boat lengths in front of Rooney, the Argonaut sculler's showing was considered remarkable. Durman's style and "never-say-quit" method greatly impressed the big array of Quaker City enthusiasts who witnessed the race over a course which has always been considered a treacherous one for visiting oarsmen. His father, Eddie Durman, the international professional champion, followed the race and declared afterward that he was elated over his son's game effort, particularly in beating Rooney.

Sydenham H.S. vs. Gananoque. On Friday afternoon the Sydenham High School baseball team journeyed to Gananoque where they played the town team of that place. The game was played in a continual downpour of rain and in a free hitting affair the high school boys emerged on top of a 14 to 10 score by reason of a great rally in the sixth inning which netted them seven runs. Young was on the mound for Sydenham and besides striking out eleven of the home team he gathered in five hits in five trips to the plate. Howes, for Gananoque, struck out five, secured four passes and allowed fifteen hits. Dohl, who relieved him in the seventh inning struck out three and allowed three hits. Gananoque got seventeen hits off Young but were held in check during the last four stanzas.

MURPHY WINS ANNUAL 500 MILE AUTO RACE

Leading from start to finish, Jimmy Murphy of Los Angeles, California, winner of the 1921 French Grand Prix, carried his name deeper in the hall of motor fame on Tuesday, when he flashed across the wire of the 500 mile auto race at the Indianapolis speedway, before a record breaking crowd of 135,000 spectators.

Murphy smashed all previous records to smithereens, for this distance, clipping more than 16 minutes off the best previous record. His time averaged 94.48 miles an hour, or 5.17.30 hours, as against the record formerly set up by Ralph De Palma in 1915. The Los Angeles driver made only three stops during the entire 500 miles. The assistance of his pit men was nothing short of marvellous, and it took them just 28 seconds to change a right front tire and provide him with fuel during one of his three stops.

Signed Indian Pitcher. Addition of an Indian to the roster of the Washington Americans was announced by Clark Griffith, president of the club. The newcomer is Albert Youngblood obtained from the Greenville club of the Texas, Oklahoma League and prior to his connection with that club star pitcher for the nine of Clarendon College, Clarendon, Texas. He will join the Nationals during their coming western tour.

LITTLE BITS.

The Toronto Leaf's pitchers are now: Taylor, Connally, Singleton, Thompson, Big, Townsend, Enzmann and Reis.

T. Burns, Chicago, back in 1883. Is the only major league player to score three runs in an inning.

The recognized record for chinning one's self with one hand is that of A. Cutter, who, in 1878, performed this feat twelve times.

Jersey City have offered Toronto Club Outfielder Wigglesworth for Pitcher Johnny Enzmann. Rochester have made a cash offer for Catcher "Gus" Sanberg. It is possible that both deals may be made.

TORONTO FIGHTING FOR SECOND PLACE

George Stalling's Rochester Hustlers, picked by the majority of the fans to beat Jack Dunn's hopes for a fourth pennant will make their first appearance of the season at the Island in Toronto this afternoon for a series of four games. Right now the Leafs and Hustlers are running almost neck and neck in the dash to get a good hold on the second rung of the international ladder, and the coming series will see one of the two teams shunted back into third, with the other getting its second wind pre-

paring to go after the Orioles who are on top. Stallings had a good team this season. He has Archdeacon, conceded the fast player in the game, Bob Fothergill, a hefty hitter who was with Detroit and gained the honor of having been sent in to pinch for Ty Cobb, and Connelly, another hard hitter in the outfield. The famous Fred Merkle is playing first, Cliff Brady, who will go to Detroit at the end of the International League season on second, Harry Lunte who took the late Ray Chapman's place at short when the latter was killed by a pitched ball, Murray, a real smart ball player at third. Sheriff Blake, Allen, Keenan, Hughes, Cox, Wisner and others make up the pitching staff which is said to be a good one. Lake and Callahan are the catchers with the former doing most of the work.

Yacht Club Races. The fifth series of the dinghy races at the Yacht Club were continued on Monday afternoon, with a large crowd of members and interested spectators present for the feature events. The time was changed to 2.30 p.m. Instead of the usual 5.30 events, and for this reason, Principal R. Bruce Taylor was unable to be present and missed the race.

All of the boats in class "C" finished before three of those in class "A" and two of class "B," reaching the last buoy several minutes ahead. The slight breeze was hardly adaptable for racing, and five of the starters failed to make the round within two hours.

The results were as follows: Class "A." Hora, 4.42.08; Carruthers, 4.43.40; Jemmett, 5.32.34; Hopkins, 5.36.20; H. Hill, 5.37.25.

Class "B." Nickle's boat, sailed by H. Duff, 4.43.08; Casey, 5.47.48; S. Hill, 5.48.15.

Class "C." Bishop, 4.48.48; Rigney, 4.49.50; Cunningham, 4.59.55; Chow, 5.4.08.

On Way to Championship. Jimmy Murphy, Los Angeles, winner of the annual 500-mile automobile race at Indianapolis is well on his way to the driving championship of the United States for 1922. He already has 2,050 points, several more than the number by which Tommy Milton won the title last year. Milton has not scored a point this year. It was said.

Harry Hartz, also of Los Angeles, is second, having 1,200 points.

Select Laxative Medicine With Great Care

In debility and weakness, medicine should be mild and far reaching. Many pills and purgatives are too hard, are drastic instead of curative. Excessive action is always followed by depression, and knowing this Dr. Hamilton devised his pills of Mandrake and Butternut so as to mildly increase liver and kidney activity, so as to flush out the system by toning and regulating the bowels. Thus do Dr. Hamilton's Pills eliminate poisons from the body, thus do they restore clearness to the skin, thus do they renew health and strength. To keep your system in healthy, good working order, regulate it with Dr. Hamilton's Pills. 25c, all dealers, or The Catarrhose Co., Montreal.
