### TWO GOOD GAMES TUESDAY EVENING

#### Lake Views Win From Verona and Civil Service Bow to Retailers.

The local fans had the choice of two baseball games at the Cricket Field on Tuesday evening, when both the large and the junior diamonds were occupied by teams in the Inter-County and Mercantile Leagues respectively. The best game of the two was that played between the Retailers and Civil Service, when the former won by the close score of 4 to 3. The county fixture was a one-sided contest, with Lake Views winning by 11 to 1. Good crowds attended both games, which were of seven innings each. The Mercantile game was finished about half an hour before the other.

**Lake Views 11, Verona 1.**  
The visiting Verona team was swamped after the second innings, when the locals jumped into the lead by crossing the plate three times in their half of the third. From that time on the game was on ice. Verona scored once in the first innings, but were held tight for the remaining six innings, though they collected at least one safe hit in every inning except the seventh.

The Lake View lads were puzzled for the opening frame, but soon found their stride, and clouted the old ball far and wide at will. Aided by errors they began to pile up a high score, though good fielding kept the runs within reasonable bounds. The visitors were weak at the bat, and at no time showed the polish of their opponents.

The big innings was the sixth, when four runs resulted from an equal number of safe hits. Truesdale was far from effective, while the local twirler was in top form. The latter pitched all varieties, and his slow ball was a real puzzle to the batters.

Umpire—Fraser Smith.

**Retailers Win.**  
In the best game of the Mercantile League played this year, the Retailers nosed out a victory over the Civil Service by 4 to 3 in a splendid contest at the Cricket Field on Tuesday evening. For a time it looked like the Civil Service as winners, but after trailing until the last half of the third, the Retailers scored three times, and took the lead with one run to the good. No more scoring was made during the remainder of the game. McWilliams and Hunter, the opposing pitchers were on their mettle all the time, and a real game of ball was dished up for the fans.

With a single and two doubles, the Civil Service team scored three runs in the opening stanza, but their spurt was short lived. The Retailers got across the home plate once in this innings. All went well until the third, when the Retailers collected five safe clouts off Hunter and tallied three times. Umpire Shangrow might just as well have called the game right there.

During the remaining four innings, the Civil Service boys collected two hits, and the Retailers three. The teams worked well together, and in spite of the handicap of a poor diamond played as good ball, or better.

### Comfort Baby's Skin With Cuticura Soap And Fragrant Talcum

Soap, Ointment, Talcum. See each bottle carefully.

### KINGSTON EAGER TO ENTER O.R.F.U.

#### Ed Elliott, Ex-Intermediate Star, Confers With Secretary McKee.

The Toronto Globe says: Kingston is clamoring for admission to the Ontario Rugby Football Union senior series. The Limestones, who made a great reputation for themselves, and then dropped out many years ago, are back again, and yesterday Ed Elliott, prominent in Intercollegiate football ten years ago, was in the city interviewing Secretary Harry McKee relative to the venture. Mr. McKee was unable to state definitely what the O.R.F.U. stand will be, but the matter will be taken up in a few days by the Executive.

Owing to the fact that the O.R.F.U. has already formed its senior circuit with University of Toronto, Parkdale, St. Brigids and Hamilton Rowing Club admitted. It is not thought probable that Kingston will be admitted, but the suggestion may be made that the Limestones play in the intermediate series. Kingston believes that the difficulty can be overcome by grouping St. Brigids with the Limestones and playing a double schedule. However, this solution would only cause other obstacles and St. Brigids might not look with favor on the suggestion.

Mr. Elliott stated that he realized that the opposition will be formidable, it being almost assured that the O.R.F.U. will place the strongest teams in their history on the field this fall. Everyone of the Parkdale champions will be with the Paddlers again, while U. of T. should be a factor in the race. Hamilton Rowing Club claims a powerful lineup while Coach Quilly has strengthened the Ottawa Irishmen all down the line. So Kingston will have to furnish a good team to make a showing in that select company.

Stewart Robinson, (who played with Royal Military College and Ottawa before the war), Colonel Constantine of R.M.C., Billy Bearance of the old Limestones and Ed Elliott are some of the men behind the easterners. Elliott has announced that he will play again. There are many graduates from Queen's residing in the Limestone City, and they are enthusiastic about the venture and have signified their intention of chasing the pigskin again. Ernie Sitter, one of the greatest outside wings Queen's every produced, will, owing to injuries received overseas, play no more, but he will likely have an active interest in the team being a candidate for an executive position. He played with T.R. and A.A. in 1913.

Stuart Rayside, famous Queen's player, the late Chaucer Elliott, prominent as a player and coach, "Wicker" Wilson, Varney, Metcalfe, Asseltine, Kennedy and others learned the game with the old Limestones. Time has not affected their deeds of by-gone days and the new team will have a glorious tradition to urge them on.

The O.R.F.U. idea is to open the doors to all who wish to learn the fall pastime. The officers will make a strong effort to satisfy the latest applicant.

**Mercantile Players Take Notice!**  
When "Stuffy" McInnes, of Cleveland, formerly of the Red Sox, made an error Saturday in the game with Detroit, he completed a new fielding record of 167 consecutive errorless games.

The run began May 30th, 1921, after he dropped a ball thrown wide to him. That was his only error last season, and he had played 119 games thereafter in 1921, and 48 errorless games this year, until the failure of someone to cover third base Saturday left that bag unprotected when he threw. McInnes has handled 1,531 put outs and 94 assists perfectly, a total of 1,625 chances.

**Oil's Lubricating Value.**  
A simple method to test the purity of oil is to place a drop of the fluid on a clean, white blotter. If the drop disappears over night and leaves no stain, the oil is quite free of carbon. A stain shows there is a certain amount of free carbon in the oil, which would later be left in the engine.

Fluidity of oil in cold weather may be ascertained by placing a small bottle of oil out-doors on a cold day. After a short time turn the bottle upside down quickly and note the rise of bubbles. If the bubbles rise quickly, the oil will flow at the existing temperature. If the bubbles do not rise, the oil is too thick for use.

**Rich Harvest of Fines.**  
Sacramento county, California, makes profit out of maintaining three highway patrolmen. For the past twelve months, instead of being a source of expense, these minions of the law have been a source of profit. A sum less than \$7,000 was spent on their salaries, gas, etc., while they resped in fines for the county \$9,509.50. One rider covered a total distance of 21,000 miles.

A coming man is always going at full speed.

PROBS:—Thursday, fine and warm.

## TOMORROW AT STEACY'S RE-BUILDING SALE

From 9 to 1 O'clock
