BANKERS HAND A PLUM TO PLUMBERS

Lead Pipe Artists Win by 9 to 2 in Mercantile Fixture Wednesday Night.

The Plumbers lived up to the expectations of the Mercantile fans on Wednesday evening, and scored a victory over the Bankers by 9 to 2. But for a bad fourth inning, in which Curran walked three of the Plumbers one after the other, the score might have been much different. The winners, however, played better ball and deserved the game from every angle. The Bankers were weak in the outfield, the same old disease which appears to be a malady among all the Mercantile teams, and most of the scoring was through bad errors.

Here is the story of the fateful fourth. Fenning walked. Murray walked, also Ferguson. Curran appeared to be away off, but remained in the box. Shangrow singled, scoring Fenning and Murray through an error. McGuire struck out. Fowler out Ada to McBroom. Ferguson scored. Arnel out Curran to McBroom.

The Bankers Were Weak in the Field.

In the Bankers' half, Wilkinson and Ada started a rally with a double each. Wilkinson home. Hudson walked. Wilton out to Murray. Curran out at first, receiving a bad tumble. Jack fanned.

Up to the fourth innings, Curran had five strike-outs to his credit, and was going along like a house afire. He settled down again later in the game, but his fielding support was poor.

Neither team scored a hit in the first innings, but the Plumbers collected two runs from errors in their half of the second. Bankers again failed to hit in their half. There was one hit in each of the third. Then the fourth came along, and there the old game went astray. The fifth and sixth also brought hard luck to Curran.

McBroom of the Bankers was hit in the chest in a throw to 2nd base, and Jack was put in to run for him. The former player received a bad knock, but was able to resume play later in the game.

The game was started half an hour late, but it was finished in fairly good time. There was a fair crowd on hand, and the opportunity was taken to inaugurate the first silver collection. Schedule cards were handed to all the fans who contributed, and the sum of \$4.70 was realized. This was considered splendid for a start, and the players and officials of the league who were present expressed pleasure over the result. Many fans

Murdered.

Put right out of business, a whole family, not of good honest folks, but of Corns—sore, troublesome corns that sting and bite. Putnam's Corn Extractor is the only painless sure relief for corns. It never fails. 25c. everywhere.

remarked over the neat schedule cards, also the collection, and stated that the new system looked more businesslike, as well as placing the Mercantiles on a higher status.

MUST DEFEND TITLES OR SURRENDER THEM

The New York State Athletic Commission on Tuesday served notice on John Kilbane, featherweight boxing champion, and John Wilson, middleweight champion, that unless they sign articles by June 20th agreeing to meet challengers for their titles the championship claims of both will be declared forfeited, so far as the jurisdiction of the State Commission is concerned.

The commission stipulated that Kilbane must accept a challenge by Johnny Dundee and that Wilson must fulfill a contract he made some time ago to box Harry Greh, who recently won the light-heavyweight title by defeating Gene Tunney.

Failure to meet the terms of the commission's formal "ultimatum" will deprive both boxers of their rights to apply for licenses in New York, the commission announced, and their championships will be declared open for competition to all boxers in their respective classes.

BALLOON RACE WINNER.

Major Oscar Westover Takes First Prize.

Major Oscar Westover, and his aide, Lieutenant Carl F. Bond, are the winners of the Milwaukee balloon race which started May 31st, it was officially announced by the Aero Club of America. Major Westover's craft landed in the province of Quebec, covering an estimated distance of 850 miles in seventeen hours and fifteen minutes in the air.

Second place in the race was captured by Captain H. E. Honeywell with J. H. Wades, Jr., as aide, civilian entrants, who flew a distance estimated at 530 miles. Lieutenant W. F. Reed, the navy flier, was third, with an estimated flight of 440 miles.

Prizes are \$1,000, \$800 and \$500 for first, second and third places.

Another Baseball Feud.

Bad blood that has existed between the Boston Red Sox and Cleveland Indians since Harry Frazee, the Sox owner, and Ban Johnson, president of the American league, began their altercation, manifested itself in a new form during the recent series between the two teams here.

The Boston management refused to honor courtesies issued by "Stuffy" McInnis, the Cleveland first baseman formerly with Boston. According to Larry Greaver, secretary and apparently spokesman for Frazee, "Anybody but McInnis can get passes here." Manager Speaker was so incensed over the action that he recalled all passes he had issued and went to the box office and purchased tickets for those he meant to compliment.

The action is without precedent in the American league. Statements made by McInnis last winter after he was sold to the Indians are said to have incensed the Boston management and they have not been forgotten. McInnis, at the time, claimed he had a clause in his contract giving him the right to choose the club to which he would be sold and he severely criticized Frazee for breaking the contract.

LITTLE BITS.

In spite of that one bad inning, the Bankers have one of the best pitchers in the Mercantile or Inter-County leagues, and with better support, the "coin handlers" should go far.

Squire is one of the gamest and hardest-working players seen in some time on the local field. He should have received the benefit of the doubt on that throw to first bag.

The Plumbers have a smooth working team and will take a lot of beating for the group honors.

Each team in the Mercantile league has played one game, and it might be of interest to remind the fans that Webers, Tanners, Retailers and Plumbers are the winners so far. The Printers, Movies, Civil Service and Bankers also ran, and these teams will fight it out for the honors in the fall. If they find some home brew down there some surprises may result, and a general upheaval take place in the league standing.

The Lake Views are now tied with Sydenham and Wolfe Island in the Frontenac group of the Inter-County League, each having won 2 and lost 1.

"Billy" Minnes, of Macnee and Minnes, Bagot street, has been appointed secretary-treasurer of the Limestone Rugby Club. Outside of the present executive committee, no other officers will be appointed until later in the summer.

The next feature of the Mercantile league will be staged on Friday evening, when the Webers will attempt to take a fall out of the Retailers.

The Lake Views will play their next home game on Tuesday night when they will fight it out with Sydenham on the Cricket Field. This should be a real game.

And how about a baseball battle between the Rotary and Kiwanis Clubs? But perhaps the Rotarians would kick over the eligibility of George Van Horne, who is already signed up with the Retailers.

What's the matter with the local Soccer League?

A number of Kingston baseball fans are planning to spend at least part of their holidays in Toronto watching the Leafs battle for the honors. And by the way, the week of August 28th, should look fairly good to the average "bug." The Leafs play Newark once, Baltimore four times, and Reading four, all in three days. How's that?

The Syracuse Stars were shut out on Tuesday, for the first time this season, with Werre of Buffalo applying the brush, 4 to 0.

The local liverymen report a big

demand for good saddle-horses, especially on Sunday mornings. There is no better sport than two or three hours' ride, and it is also good for the liver.

The Old Fan rises to remark that the owners of the New York Yankees will hardly be financially ruined this year, with paying Babe Ruth \$500 for each homer the Sultan of Swat scores. Not from the present outlook at least.

Art. Halliwell, the ex-Ulester and Dunfermline goalkeeper and the foremost defender of soccer nets in Canada, in Saturday signed with the Hamilton Tigers of the Inter-County League and will turn out on Saturday against All-Scots at Hamilton.

Red Wingo, of the Toronto Leafs, is leading the International League in the home run column, after scoring his tenth on Tuesday.

Major Oscar Westover, and his aides, Lieut. Carl F. Bond, are the winners of the Milwaukee balloon race which started May 31st, it was officially announced by the Aero Club of America. Major Westover's craft landed in the province of Quebec, covering an estimated distance of 850 miles in seventeen hours and fifteen minutes in the air.

Boxing is gaining a strong hold in China, as one of the biggest colleges has engaged an English instructor. Several bouts were put on recently and the boxers showed considerable promise. Clubs also are taking up the boxing game, and the time is not far away when the "manly art" will become one of the foremost games of China.

Johnny Klesch, Cleveland middleweight, claims he fought fewer preliminary bouts than any middleweight in the country. "I had but three preliminary battles and then one big middleweight got sick," says Klesch. "I walked in, took the bout, and I've been fighting headlines ever since."

President Carrie Blackwell, of the London Shamrocks, ladies' basketball champions of Ontario, announced recently that a balance of \$250, after all expenses for the Edmonton series had been met, will be donated to the Sick Children's Hospital. While the Shamrocks were denied the national championship, they will at least go down in history as the only girls basketball team to make such a handsome donation to such a worthy cause.

McDonald Issues Challenge.

Roddie McDonald, the former Glace Bay boxer, has issued a challenge through the Halifax Recorder to Johnny Wilson or any middleweight in the world. McDonald is in training daily in a private gymnasium at Westmount, and is under engagement to C. F. Graham, Montreal, who says he is in excellent condition.

Never doubt about doing what you know it is your duty to do.

LOCAL YACHT CLUB RACES!

Close Finish in Class "A"—Prof. Jemmett, S. Hill and Gildersleeve Win.

A thrilling finish featured the Class "A" dinghy race at the Yacht Club on Wednesday afternoon, when three of the small craft came in only two and three seconds difference in time. Prof. Jemmett arrived home first, followed by Doug. Carruthers and Henry Hill, in a hair-line finish. The breeze was ideal for sailing, and there was a large number of spectators for the event.

In the Class "C" event, B. Cunningham, the youngest sailor among the contestants, made an exceptional good showing, and finished second in this race.

Class "A."
Prof. Jemmett, 6.16.35; D. Carruthers, 6.16.38; Henry Hill, 6.16.40; Dr. Hopkins, 6.18.32; H. Hora, 6.21.

Class "B."
S. Hill, 6.21.55; Dr. Bruce Taylor, 6.25.02; W. M. Nickle, 6.27.26; W. Casey, 6.28.55; J. M. Campbell, fouled the buoy.

Class "C."
Gildersleeve, sailing Bishop's boat, 6.28.11; B. Cunningham, 6.31.10; D. Chown, 6.31.15; Rigney, 6.32.25; Harty, 6.35.53.

Tamworth 21, Adolphustown 8.

Another of those heavy-hitting County League games was staged at Adolphustown on Wednesday afternoon, when the Tamworth Tammany Tigers invaded the former village and walked away with a 21 to 8 victory. The home team lost out by errors in the field, and through a general blow-up in one bad inning. The visitors hit hard and often, and had the game on ice after the fifth innings. The home town team fought hard all through but never had the breaks of the game. The victory for Tamworth sends their team up to second place in the Lennox group, while the Adolphustown will have to be satisfied with once removed from the cellar.

H. Pine, of Picton, handled the game most satisfactorily. There was a good crowd of fans and fanettes out for the match, and the home team was cheered lustily in spite of the defeat.

The batteries were James and Van Aalstyne, Tamworth; H. Smith, Cruise and Allison, Adolphustown.

Rheumatism—is Yours Acute or Chronic?

In either case you'll get such results from good old "Nerviline," which has five times the pain destroying power of ordinary remedies. Nerviline gives results because it penetrates to the source of the pain, because it contains ingredients that destroy rheumatic pains. It is the unusually bad case that proves the power of Nerviline. Sued for young and old; used internally and externally for many purposes. 35c., at all dealers.
