Don't be afraid to get a job as a clerk. clerk can become a store manager or owner if he is on the watch for opportunity. Watch our classified ads.

Departmental Examinations. The collegiate pupils trying the departmental examinations are preparing to write this week. The lower school tests begin Wednesday and the matriculation the following Monday. This year, owing to the new regulation, a record number will be writing on these latter papers. The new ruling provides that some of the scholars in the lower forms may try certain papers for which they have completed their studies.

Handy "Bayer" boxes of 12 tablets-Also bottles of 24 and 100-Druggists. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Mono-aceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

# Why Be "Skinny"

When It's so EASY to Build Flesh this New Way

Do you need more flesh? Are you pale, lacking in energy—or is your complexion blemished by humiliating pimples, black-heads, or boils? If so, simply go to your druggist's and get a package of IRONIZED YEAST tablets. Take these remarkably effective tablets—two with each meal. Then watch the results! Very likely you will be actually astonished at the improvement shown in you even after the first 48 hours. For IRONIZED YEAST embodies a remarkable new scientific process—a process which enables yeast to bring its splendid results aften in just half the usual time.

The New Process While yeast alone is good, tests show that it needs some other agent in order to quickly convert its wonderful health-building elements into firm tissue, rosy cheeks and sparkling vitality.

Everyone knows that iron is of great value in converting our food into living cells and tissue. So working on this problem, our scientists finally discovered the wonderful process of ironization—the process through which the combination of yeast and iron becomes 100% efficient.

Do not think, however, that any combination of yeast and iron becomes 100% efficient.

There takes only 1.2 parkets of IRONIERD TRAST, rethere gained to be. "Boy L. W. Y.
