**Heart Would Beat LIKE A TRIP HAMMER**

Heart trouble has of late years become very prevalent. Sometimes a pain catches you in the region of the heart, now and then your heart skips beats, palpitates, throbs, or beats with such rapidity and violence you think it is going to burst.

You have weak and dizzy spells, sinking sensations, are nervous, irritable and depressed, and if you attempt to walk upstairs or any distance you get all out of breath.

We know of no remedy that will do so much to make the heart retain strength and vigor, regulate its beat and restore it to a healthy normal condition as will

**Milburn's Heart and Nerve Pills**

Mrs. Chadwick, Delhi, Ont., writes: "I had palpitation of the heart, and the least exercise, such as going upstairs or up a hill, my heart would beat like a trip-hammer and at times I was dizzy-headed and had a sinking sensation as if my time were near.

A friend suggested I try Milburn's Heart and Nerve Pills, so I procured three boxes, and by the time the first one was used I began to improve. In all I took six boxes, and now although in my 66th year I feel like a young girl; no dizziness or heart-thumping, and can walk miles without fatigue. At time of sickness I weighed 120 lbs., now I weigh 150."

Price, 50¢ a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

This inexpensive invigorator is sold by McLeod's Drug Store and at all good drug and toilet counters. Be sure you get the genuine Parisian Sage (Giroux's) as that has the money back guarantee printed on every bottle.

**Rebuilt the Road.**  
The section of roadway on King street, west from Alvington avenue to the top of the penitentiary hill has been rebuilt by the prisoners from the penitentiary and is now in good condition. This formerly was in very bad shape and hard on the motorists. The section from the patched part east is poor at the present time.

**General Circus Fee \$200.**  
There has been so much talk about the circus fee in Kingston that it is given for the benefit of Whig readers. A circus license costs \$100. Added to this is \$100 for the use of the fair grounds. Each side show costs \$10. If a circus has five shows it costs \$1,250 all told, which is not considered a big sum for the advantage of showing in a place the size of Kingston.

**Harbor Work Expensive.**  
The Frontenac Dredging company engaged in dredging at James Swift & Co.'s wharf reports only sixteen feet of water over the solid rock at the end of the wharf. There is no accumulation of mud or gravel at that point, and in order to increase the depth of water blasting would have to be resorted to. This will not be done now, however. There is no greater depth at any other point except inside the inner harbor where the water is over seventeen feet deep. There a greater depth can be obtained by dredging away the mud and gravel.

**A Native of Athens.**  
Many will learn with regret of the death at Saskatoon, Sask., on Sunday of Charles D. Fisher, a former resident of Athens. He was taken suddenly ill on Sunday morning and, despite skillful medical attention, death ensued in the evening. The late Mr. Fisher was born at Athens, on August 24th, 1867, and was therefore in his fifty-fifth year. He was a son of the late Duncan Fisher, who was one of the leading residents of Leeds county. He was educated at the public and high schools of his native village, where he displayed splendid mental powers. He entered railway work and by perseverance and diligence rose to the important position of

superintendent of the western division of the Canadian Pacific railway. He retired from that responsible position to become manager of the Saskatchewan exhibition at Saskatoon, Sask., a position to which he brought great executive ability. He is survived by his wife, one sister, Mrs. A. E. Donovan, Toronto, and one brother, A. E. Fisher, Regina, Sask.
