> As a result, our harbor is a disgrace. Visitors approaching the city by way of the La Salle Causeway are treated to an excellent panoramic view of derelict after derelict, tilted this way and that, as they slowly sink to rest in this marine graveyard. And as they disappear, others come to take their places. Visitors look and wonder. They cannot understand why the people should tolerate such a defilement of a waterway that might eaosily be made one of the city's beauty spots. Yet we

hen proceeded to forget all about

do nothing. Why? Isn't it time we woke up and do. cided that no more castaways or other rubbish should be deposited in this harbor and that those alread? there should be forthwith removed by their owners, or whoever was re-If given her choice between sponsible for placing them there? On develop this city as it should be developed and at the fact that we are not securing the industries that we should secure. But what impression, think you, would a stranger get if taken on a trip around our harbor? He would wonder why we did not celan up such a mess, and make something useful of the opportunities that are now going to waste. He would think we were too slothful or too slovenly a burg for him to locate in. Our apathy in respect to the harbor is doing us harm every day it remains as it is, and we all know it. And not the worst fact is, that, Treaty?

We regret very much that women it now. It is a public service that will ish government, and Richard Rush.
