MEAN THEFT COMMITTED AT THE R.M.C. BALL

Thirty-Three Cushions Taken From "Sitting Out" Places.

A mean theft was committed at the Royal Military College on Monday night, while the ball was in progress, when some person or persons made off with thirty-three cushions. The cushions had been used for the "sitting out" places along the waterfront. In addition to the cushions, a dozen or more blankets were also taken.

The matter was reported to the police and Sergt. Marshall Armstrong, Detective James Cotter and Constable Vernon Campbell conducted an investigation, with the result that twenty-three of the cushions and a half dozen or so of the missing blankets have been recovered.

The police are still working on the case, and while no steps have been taken to prosecute the guilty parties, it is understood that charges will be laid if the stolen property is not returned.

From what the Whig has been able to learn of the affair, it appears that the cushions and blankets were stolen from along the wharf and taken away in a boat.

While the ball was in progress, a large number of people were out on the harbor in small boats, and the police sure had some work in tracing the matter.

As is the usual custom for the June ball, cushions are collected from various homes around the city. It was a very easy matter for a person to get away with cushions and blankets while the festivities were on and it was a most difficult matter for the college authorities to keep a strict watch on them.

RESERVED DECISION.

In Case Before Judge Madden on Thursday.

Judge Madden reserved decision in the suit for damages for trespass and cutting trees which was before the county court on Thursday. The case started at noon and three hours' evidence was taken. The plaintiff, Arthur Henderson, Pittsburgh, had his case presented by J. L. Whiting, K.C., who pointed out that the plaintiff had the paper title to the land, which had been shown to be of a poor character and had a number of trees removed. He stated that the claim of \$500 for damages was reasonable as this was the only source of wood on the farm. The defendant, George Galloway, was represented by W. B. Carroll, K.C., Gananoque, who maintained that the land was open and the damages were unreasonable as there was very little wood removed and that of little value.

HON. DR. EDWARDS WON

He Was Chosen Deputy Grand Master of the Orange Order.

The Grand Orange Lodge of British America concluded its annual session at midnight, Thursday, after the announcement of the results of the election of officers. A resolution was passed expressing strong condemnation of the assassination of Field Marshal Wilson by Sinn Féiners in London, and extending sympathy to his widow in her bereavement. A second resolution was adopted expressing the attitude of the grand lodge toward the political developments in Ireland. The sympathy and support of the Order is extended to every loyal Irishman, while the Lloyd George policy in Ireland is severely condemned. It is regarded as a surrender to the Sinn Féin, the agitators and gunmen that should not have been made.

Votes of thanks were passed to the local committee that provided for the entertainment of the delegates, the mayor of Kingston and the press.

The announcement of the election results brought great applause. While the retirement of Most Worshipful Grand Master Hocken, after three years of strenuous work, is keenly regretted on all sides, the members are greatly pleased with his successor, Hon. W. D. McPherson, who assumed the gavel at this stage of the proceedings.

Hon. Dr. J. W. Edwards was elected deputy grand master and occupies the unique position of Grand Master of Ontario-East and deputy grand master in the Grand Lodge of British America. There were three nominations for the office, and the announcement of the result brought prolonged applause for the new deputy grand master. W. J. Lee, Toronto, was re-elected grand secretary. The other officers are: Treasurer, Captain J. W. Thompson, M.P.P., Toronto; chaplain, Rev. Ward-White; lecturer, W. H. C. Armstrong, Saskatoon; director of ceremonies, Lt.-Col. T. A. Kidd, Kingston; auditors, J. F. Harper, Hamilton, J. W. Benson, Toronto; deputy secretary, J. Easton, Winnipeg; deputy treasurer, G. B. McReady, Winnipeg.

Winnipeg was chosen as the next place of meeting.
