CIVIL SERVICE WIN THEIR THIRD START

Surprised Mercantile Fans by Trimming Webers by 24 to 8 on Friday.

Chalk up another surprise in the Mercantile league, as the Civil Service walloped the Webers all over the lot on Friday evening, winning the game by 24 to 8. The Civil Service now jump out of the zero section, and are tied with Webers, each having won once and lost twice. Hard-hitting and good support while on the defensive, won the game for the Civvies, while the Webers appeared to be away off-color in comparison with their previous games.

The winners scored in every inning except the last, while the Webers only tallied in the first and third. Both teams changed their players around considerably, but the Webers failed to stop the savage attack of the Civvies. The Civvies went into the

lead in the opening stanza, and they were never headed.

Jackson was chased from the pitcher's box in the second innings, and the first pitched ball by Flynn, who relieved, was knocked for two bases by Walsh, incidentally the only hit received by the Civil Service pitcher during the game. From then on Flynn settled down and twirled a good game, but his support was weak.

For the Civvies, Walsh struck out 4, hit 1 batter, allowed 10 hits, and collected a two-bagger and 1 run. He was struck out twice by Flynn. For the Webers, in 5-2 innings, struck out 9, walked 4, hit 1 batter, allowed 14 hits, and was credited with 1 hit and 1 run. Jackson, in 1-2 innings, struck out 1, walked 4, allowed 5 hits, and received 1 hit.

Duffy and Angrove starred at the bat, each being up four times, and slouting out four safe hits. Angrove collected a two-bagger included. Morrison hit safely three times out of five, and Holland connected three times out of six trips to the plate. For the Webers, the two .500 hitters were Phillips and Wilson. Sharman

knocked out a beautiful three base hit in the third innings, driving in two runs ahead of him, and scoring later on a bunt by Jackson.

The league is beginning to tighten up a little, and the race for leadership in the two games is not over by any means. The Retailers lead in "A" group, with 2 wins and no losses; the Printers are next with an average of .500, while the Webers and Civil Service are tied for third place and the cellar position with 1 win and two losses each. In group "B," the Plumbers and Tanners will decide the leadership on Monday evening next, when they enter the lists together. They have both won two games and lost none, but one team will have to drop down on Monday night. The Bankers and Movies are not discouraged either, and they will fight it out for cellar honors on Tuesday of next week.

Printers vs. Retailers.

At the meeting of the Mercantile league executive on Friday evening, to consider the protest and counter-protest of the Printers and Retailers respectively, it was decided to have the game re-played. Considerable discussion took place regarding the claims of the two teams, and after representatives of the two teams had been heard, as well as suggestions from officials of the other clubs in the league, the matter was put to a vote, resulting 6 to 2 for a re-play.

Limestones have some great material in view around the city. It is surprising how many rugby players have been unearthed just waiting for a team to hook up with.

Speaking of sports, have you seen the new streamline model bathing suits for men offered in the advertisements lately? Look them over.

Much interest is being attracted to the meeting of the Limestones Rugby Club in the Council Chambers of the city buildings on Tuesday evening next. This club is making a bid to put the city of Kingston on the rugby map once more and should have every support.

Babe Ruth Suspension Will Cost Player \$1,500

President Johnson increased Ruth's suspension originally three days for disputing a decision made by Dineen in Monday's game at Cleveland, to five days when he received a long report from the umpire detailing remarks made by the outfielder when ordered off the field in compliance with Mr. Johnson's first ruling.

Mr. Johnson announced that Ruth is suspended without pay and that this feature of the decision will cost Babe \$1,500, or \$300 a day which was said by the American League president to be the player's salary. "Babe" Ruth is going to behave himself or I'll keep him out of the game all summer," Mr. Johnson said in making known the decision.

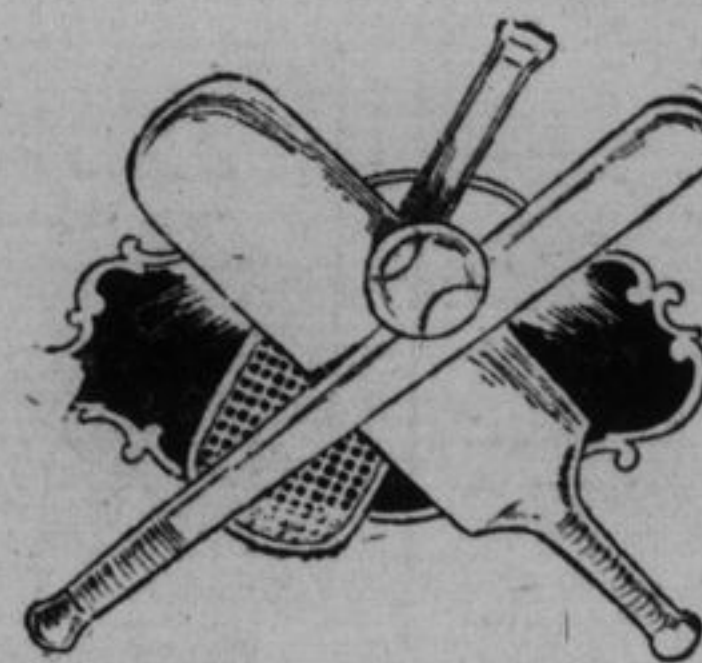

Plumbers and Tanners were to play at the Cricket Field this afternoon and may be at it now. It was reported that some of the Plumbers would not be available but later news said that they would be out.

The Kingston players are keeping those lake shore towns on the baseball map. Cobourg and Oshawa are keeping well in stride.
