The McDonnell farm, situated at Black River bridge, Prince Edward county, known as "The Old Homestead Farm," which was originally settled by the late Alex. McDonnell as early as 1793, just ten years after the signing of the treaty of Versailles, which closed the revolutionary war Mr. McDonnell, the intrepid pioneer, was succeeded at his death in 1857 by his eldest son, the late John McDonnell, who owned and occupied the farm until about 1873,
