At last, a friend advised me to take "Fruit-a-tives" and in a short time the Constipation was banished, I felt no more pain, headaches or dyspepsia, and now I am vigorous, strong and well."

CHAUTAUQUA PROGRAMME WAS NOTEWORTHY
First Day's Schedule Was a Winner—John Duxbury Scores High.

What Niagara Falls, Ont., says about the First Day Chautauqua programme:
The following is an exact copy of the article appearing in the Niagara Falls Evening Review of June 20th, 1922, reporting on the first day's programme of Chautauqua.

With such a programme as was given at the Chautauqua Tent yesterday the interest ought to mount speedily, for the programmes were simply excellent, and as we heard one remark: "The programme of the first day alone was worth the whole price of the season's ticket."

Ald. Wilkinson at the afternoon meeting fittingly welcomed Chautauqua to town, and introduced Mr. Campbell, who is manager of the tent and chairman.

In his opening remarks Mr. Campbell complimented Niagara Falls, Ont., on its many features of special interest. The Ferguson Operatic Co. made a hundred per cent. hit from their opening number, "Ting-a-ling," "Thru Songs Beloved," new songs, Negro Spiritual songs, extracts from the Mikado and Harry Lauder's songs to the end of the programme.

This company not only sing excellently but their acting is clever. Their audience is kept at tip-top of interest from first to last.

The programme in the evening was high-class. The Ferguson Operatic Co. provided the first part of the programme, giving excerpts from the opera "Martha."

The major part of the evening's programme was given by Mr. John Duxbury of England. Mr. Duxbury has appeared in the Falls before, and left behind him an excellent reputation. He is said to be England's greatest reciter and that is quite easily believed, judging by his work here last night. He gave a powerful rumber from Les Miserables, The Shads' Banquet and Old Farmer Gray. He has that rare talent of presenting the scene before his hearers with no apparent effort.

Mr. Duxbury is the true artist, and Chautauqua is to be congratulated in securing such high class talent.

Grants to Kingston.
Among the places to get a share of the supplementary estimates are these: Kingston, repairs to drydock, \$1,200; Kingston harbor, rip-rapping of causeway, \$2,200; Kingston Royal Military College, \$2,800.

this, the best advertising medium. Then your advertisements costs too much. It is like a collar that is several sizes too small for your neck—it looks awkward, and is not adequate. Advertising pays well enough when you pay well enough for advertising.

Here on a Visit.

Mr. Burns who has attained success in the theatrical business, received his training at the Grand Opera house here under Manager D. P. Branigan.

Will They Accept?
A county resident, who was in the city Saturday, remarked that the county councillors who had urged reducing the allowance would not doubt follow the lead of Kingston's member in the legislature, and refuse to accept anything over five dollars a day.
