## THE ENTRANCE RESULTS ARE NOW ANNOUNCED

The School Children Who Have Successfully Passed—Good Number.

Below are given the names of those who were successful at the recent High School Entrance examination for the Kingston Collegiate Institute. There were 278 candidates from the public and separate schools of Kingston. Of these 121 were admitted without writing, on the report of their school record. One hundred and fifty-seven were required to write and of these 83 were successful.

Successful candidates may obtain their certificates by applying any forenoon at the office of the Board of Education. Those who failed will receive a statement of their marks by mail.

## BELIEVES CANADIANS WILL SUBSCRIBE LOAN

Fielding to Keep the 200-Million Bond Issue in Canada.

Ottawa, July 17.—Negotiations are already under way looking toward the flotation of the loan by which Victory Loan maturities and temporary borrowings are to be met this fall. It is the intention of Hon. W. S. Fielding, finance minister, to make the loan if possible, a domestic one. In spite of the success of the loan recently floated in New York and the satisfactory conditions thereof, the minister believes that it is better to pay interest to Canadians than to send it out of the country.

While the patriotic stimulus which helped to make the Victory Loan a success is now lacking, it is anticipated that very few of those who subscribed to the Victory Loan of 1917, which matures in December, will decline to convert bonds held, even should the non-taxable feature be eliminated, which it undoubtedly will. The amount of the maturing loan is \$180,000,000. In addition \$100,000,000 worth of temporary borrowings must be met. But inasmuch as \$100,000,000 was raised in New York for the proposed domestic loan will, it is believed to be for \$200,000,000. It is doubtful whether the new loan will be floated under the same methods as were employed in underwriting former loans, namely, through the financial houses on a commission basis. It is probable that public subscription will be called for through the banks and bond establishments instead.

### Harrowamth Happenings.

Harrowamth, July 14.—Service under the order of the L.O.L. and L.O.B.A. in St. Paul's church on Sunday last was well attended. Rev. R. W. Armstrong is to deliver a picture sermon on "Redeeming Grace" in St. Paul's church, Sunday evening. Roy Gallagher, Saskatoon, Sask., called on friends and relatives on Thursday. Mr. S. Winter, Yarker, spent last week-end at J. D. Shibley's. Mrs. Harry Walker and two children are visiting friends in New York state. Mrs. Williams, Camden East, is the guest of her sister, Mrs. Orser. A large number attended the celebration here on July 12th. Severe electric storms passed over this district on Tuesday and Wednesday nights. Fortunately, however, little damage was reported. Farmers are busy at their hay which is a good crop. W. Bewell has accepted a position as manager of the U.F.O. store at Manotick. Miss Hazel Asselstine, Toronto, spent last week-end with Mrs. John Stewart.

Becomes Macarow's Counsel. Montreal, July 17.—Adolphe Brasin, former judge of the court of special sessions, who has just retired, has joined counsel for the defence of D. C. Macarow, ex-general manager of the Merchants Bank of Canada, who will face the sessions court next week on a charge of willfully making a false bank return to the Federal Government.

Officials are confident that the Canadian railways will be kept going.

Probs.—Thunderstorms to-night; Tuesday, cool.
