## THE REV. W. K. SHORTT EIGHTY YEARS OF AGE

He is to Preach in Princess Street Church on Sunday Evening.

A pleasant event took place at the home of Rev. W. K. and Mrs. Shortt, Albert street, on Thursday evening, to mark the occasion of the eightieth anniversary of Mr. Shortt's birth. The young people of Princess street Sunday school gathered at the home of the elderly couple as a surprise party, and Mr. and Mrs. Shortt were presented with a large basket of Richmond roses. The presentation was made by Miss Emma Wilder, while a short and happy address was given by Rev. J. A. Waddell, pastor of Princess street church. An enjoyable social half hour was then spent with Mr. and Mrs. Shortt, during which Mr. Shortt replied to the congratulations of his friends in a few appropriate words. He also remarked that he would preach in Princess street church next Sunday evening, and stated that his remarks would be reminiscent of his ministerial career.

## SCOUTS ENJOYING CAMP

They Are Carrying on Their Outing in True Scout Fashion.

On Thursday afternoon, the motor boat "Orca" took a party of visitors to "Camp St. George," as the scouts call their camp on Brophy's Point, and after a delightful sail and a pleasant walk through the woods, the camp hove in sight, with a baseball match in progress and the mothers and friends who formed the party, were told gleefully that "St. George's is ahead." A curving sandy beach with a tiny wooded point stretching into the blue dancing water, and an open space between two groves of big trees, where the eight tents are erected, makes an ideal camp ground.

The headquarters tent, where Sergt-Major Dryden and assistant scoutmaster Percy Hall are to be found has a strange flag, a white cross on a blue field with one red corner on which is a white star. On asking, the visitors were told it is the flag of Crete, that island in the Mediterranean Sea which has had such an exciting history, and that it was the property of Scout John Evans, whose father, the late Col. Arthur Evans, R.I. was presented with it when stationed in Crete with the British forces.

Across the camp ground is the kitchen, in charge of Sergeant Maasie, who served for 25 years with the Imperial army and was on the reserve and recalled to the colors in July, 1914, afterwards serving for the duration of the war. Here everything has been made from material found by the scouts; a stove of sheet iron has been manufactured by the sergeant, a trench dug, and water was boiling cheerfully in army dixies. A large tin had been found which will be covered with clay and converted into an oven in which all sorts of dainties can be cooked in true camp fashion and to show what can be done the visitors were given an excellent cup of tea most gratefully received.

A prize for the patrol that has the neatest tent is offered, and much friendly rivalry is the result. The sandy beach is an excellent place for the cubs to learn to swim and no doubt by the time the camp is over, all the boys will be able to look after themselves in the water. The camp is the result of a concert given by the troop in the spring, and contributions from people who see the splendid thing it is for the lads. As Major the Rev. W. E. Kidd says, "The camp will last as long as the money does."

## Ottawa Finds That Beef Is Cheaper in Kingston

The Ottawa Citizen says: Perhaps the most interesting plea for an abattoir made before the Ottawa Board of Control was the last week's fluctuation of prices of meat in Ottawa and Kingston. Kingston beef was 18 per cent. cheaper than Ottawa's, because as Dr. Bryce stated, Kingston has an abattoir and Ottawa has not. These prices are per pound:

	Ottawa	Kingston
Loin or steak	40c	25c
Rib	35	26
Shoulder	25	22
Short Rib	25	22
Porterhouse	35	25
Round steak	35	23

## Propose a Regalia For G. W. V. Association

The adoption of a ritual for the conduct of G.W.V.A. meetings has brought forth many suggestions that a regalia should also be used. The Clyde, Alberta, branch of the association is the first to give practical effect to the proposal, and now makes use of a red, white and blue breast shield with the following symbols, a cross on the red stripe, the crest of the G.W.V.A. on the white stripe, and the poppy on the blue stripe, each bearing a special significance. The reverse side is black with purple border for use at funerals. The shields are used by the officers of the branch, while the members are adorned with sashes similarly designed and which pass across the chest. The Clyde branch is advocating the adoption of this regalia by the entire organization.

Hon. Dr. J. W. Edwards is to be the special speaker at the weekly luncheon of the Kiwanis Club in the Hotel Frontenac on Monday. His subject will be "Politics and Problems." Frank Hoag is to be the booster.

## MAY TAKE TRAINS OFF CAPE BRANCH

Central Asks Permission to Discontinue One Train Each Way.

Two of the four Sunday trains now being operated over the Cape Vincent branch of the St. Lawrence division of the New York Central will be discontinued soon if a petition from the railroad to the Public Service Commission is acted upon favorably.

The Central has asked for permission to discontinue the trains leaving here at noon Sunday for Watertown, and the one leaving that city at 3.10 for Cape Vincent.

In its petition the Central asks to discontinue the trains because of a lack of patronage which makes their operation unprofitable. On June 18 says the petition, train No. 803 carried only two passengers, earning on that trip but 43 cents. On another occasion train No. 1062 carried three passengers with earnings of \$1.22.

The earnings of these trains are not even enough to pay the train crew, say the officials, and should therefore be discontinued. Even if these trains are taken off there will still be a morning and evening train.

## Letters to the Editor

The Stories Denied. Glenburnie, July 21.—(To the Editor): Will you allow me space in your valuable paper to put at rest certain malicious stories regarding myself which have lately been circulated. I am a candidate for the position of sheriff of Frontenac county, and rumor-mongers have spread the report that I was conscripted in the late war—a malicious falsehood.

I enlisted with the number 343,993, in the 17th battery 2nd Division, 5th Brigade, under Major Lawson, who was later killed in action, and later had Major Taylor as O.C. I saw the heaviest of the fighting in the spring of 1915, and have been awarded war service badges for service in France. At present my discharge papers are in the hands of Attorney-General Ranney.

I simply make this statement to set at rest the false reports which have been circulated.

Yours very truly, —ROBERT F. VAIR.

## Kingston Graduates Receive Appointments
