**SO MANY PEOPLE ARE NERVOUS**

"Fruit-a-tives" the Greatest of all Nerve Remedies

**This Fruit Medicine Restores Health**  
The increase in the number of persons suffering from Nervousness is world wide; due, in a measure, to the reaction following the war. Sleeplessness, Headaches, Mental Depression, Rheumatism, Nervous Dyspepsia, Bad Heart Action, are the results of a disturbed condition of the Nervous System.

The nerves and the blood are so intimately, so vitally, connected that the condition of one is bound to affect the condition of the other. If the blood is laden with impurities, it is impossible to have strong, steady nerves.

The first essential in treating nervous troubles is to purify and enrich the blood. This "FRUIT-A-TIVES" will do.

"FRUIT-A-TIVES" stimulates the bowels, kidneys and skin and purifies the blood. "Fruit-a-tives" improves appetite and digestion and insures food being properly digested, thus enabling the blood to carry wholesome nourishment to build up the body, particularly the nerves.

Men and women who take "Fruit-a-tives" for some form of nervousness—because they cannot eat or sleep or work or enjoy life—say that this fruit medicine is simply marvellous in its action.

50c a box, 6 for \$2.50, trial size, 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa Ont.
