NORMAN PLATE

FOR GOING ON 3 YEARS

we and our customers have been attracted by the excellent designs of

Norman Silver Plated Goods

Made by Messrs. Stanley and Aylward, Limited, the men who contemplate moving their factory to Kingston.

We have made a display of some of this firm's product, from our stock, in our south window.

IT WILL SAY YOU TO LOOK

Also to come in and examine the finish of this line, when thinking of that next anniversary or wedding gift.

SMITH BROS. LIMITED

ESTABLISHED 1840 KING STREET, KINGSTON

DR. S. E. PORTER

Corner Alfred and Johnson Streets Phone 1072F.

KINGSTON MOTOR PARTY WAS LOST FOR HOURS

Oddfellows Had Quite an Experience on Way Home From Parham.

At a recent installation of officers for Mayflower Lodge, Independent Order of Odd Fellows, at Parham, a number of Kingstonians, including District Deputy Grand Monk and suite, motored to the village for the ceremonies. The installation was duly performed, and after a short entertainment in honor of the guests, the Kingston party of officials started their return journey. But on the road home something happened to the otherwise peaceful program.

The road from Kingston to Parham is mostly a prototype of the famous "rocky road to Dublin", and when almost pitch darkness is added to this natural handicap, navigation for motor cars is exceedingly difficult, to say the least. The drivers of the two cars carrying the dignified, and for some time blissful, officials, soon lost their bearings, and finally, in the midst of a gloomy valley, with rocky and dismal-looking hills on every hand, the party came to a halt for a council of war.

The unanimous decision, which was reached after some lively arguments, was that they were "lost"—and many miles from home. Everyone registered distress, but there was no help for it. Practically no panic ensued, in spite of the grave situation, though many of those present who belonged to the illustrious fraternity of matrimonial longshoremen, had grave doubts concerning their chances to explain matters to friend wife. Some wit suggested several of the time-worn alibis made famous in the "penny ante" cartoons.

Finally, up spoke one of the stalwarts to the effect that the best way to get out of their present fix was to start moving and keep on going. This brilliant suggestion provoked cheers, and away they went. Up hill and down dale for endless hours they travelled, and not a trace of the old familiar trail did they find. They stopped at scattered farm-houses, and aroused testy farmers, and chesty dogs, all of whom appeared to be very much in favor of the suggestion set forth by the above-mentioned stalwart. In fact, one native, who was asked the way to Kingston, tried to put the motorists entirely off the trail by sincerely requesting them to go to a place which could never be reached in one night.

As the old saying goes, "It's a long road that has no turning," and just as the dawn of another day was breaking the motorists hove in sight of a well-known village a few miles from the city, and then all was plain sailing. As one of the party sadly remarked later, "It's a great life if you don't weaken—but there's great danger of weakening."

GIVE OUT RESULTS.

Of Lower School Examinations At Athens.

The results of the lower school examinations for Athens high school are:

- Passed in all subjects written on—C. Beale, K. Beale, L. Brown, H. Burchell (medalist for 1st form), I. Bulford, W. Charland, C. Curtis (scholarship 2nd form), M. Earl, S. Fair, S. Fleming, M. Women Need More and Better Blood

To be strong, well, equal to demands of home, society, office or shop. It is a fact proven by thousands of grateful letters that Hood's Sarsaparilla is remarkably beneficial to young or older women.

The most common ailments of women drain and weaken the system and sometimes result in anemia, nervous weakness, general break-down. Hood's Sarsaparilla gives the blood more vitality and better color, makes stronger nerves, and contributes to the length and enjoyment of life.

CANADIAN MONEY PRACTICALLY AT PAR Banks Are Not Charging Anything on American Cheques.

Canadian money is practically at par to-day. The banks are not charging anything on American cheques. This is the first time since the war, that Canadian money has reached such a position. There is yet a slight discrimination quoted of one quarter of one per cent, but there is nothing doing. This is attributed to the falling off in coal shipments to Canada. Normally, there would be heavy imports of coal running into the millions of dollars, and this has had its effect on the exchange situation by creating a balance in trade, favorable to Canadian money, although the loss of the coal is a serious matter. Just how long this condition will last no one can tell.

LIGHTNING PLAYS PRANKS AT BUNKER HILL

A. Hoppins Had a Close Call—Close Call For Buildings.

(From Our Own Correspondent) Bunker Hill, Aug. 4.—A. Hoppins had a very close call from death when lightning struck a tree in front of his home. After striking the tree the lightning made its way to the book house, burning some books and other things, but luckily did not set fire to the building nor touch the house, which was situated just twelve feet away.

GUARD BABY'S HEALTH IN THE SUMMER

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic diarrhoea and dysentery, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to banish them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

LARGEST IN HISTORY.

Extra Mural Classes to Graduate This Fall.

One of the largest classes in the history of the extra mural classes at Queen's is expected to graduate this fall, as a result of the examinations to be held next month. At least forty-five are preparing to write on the final examinations. The great strides made by the summer school in raising its attendance has a considerable extent been responsible for this large number. The extension and extra mural work is being given more attention by the university each year, as advances are made in the attendance, and this branch of the university is rapidly becoming one of its most important. This number is approximately one-half the number which graduated in arts this spring, following the winter session.

"Honesty is the Best Policy"

This famous saying of Benjamin Franklin's has so often proven true that it is now generally realized that honesty is the only basis on which a really successful business may be built. Honesty has been the guiding policy of The Salada Tea Company since 1892, when the business was founded. Honest Quality, Honest Value, and Honest Representation through advertisements, have combined to make more people use "SALADA" tea daily than any other tea sold in North America. If you do not use it now, a trial package from your grocery will convince you that it is the most delicious tea on the market. Ask for it to-day.

At Bunker Hill.

Bunker Hill, Aug. 4.—The weather is very hot and dry. The farmers are busy cutting hay, which is a good crop. Grain and potatoes also look promising and black berries are getting ripe but are quite scarce around here. The new rail road is about completed. Andrew Leaman, is still quite ill. Mr. and Mrs. A. Jones and sons Alexander and Leonard, visiting at A. Hoppins, have returned to Toronto. Mr. and Mrs. Miles Orser and son, Harry called on friends here. Mr. and Mrs. L. Leaman are visiting friends here. Mrs. A. Hoppins and Deyo, at R. Wilson's. Mrs. J. W. Babcock is visiting her daughter at Echo Lake. Anson Timmerman attended his brother's funeral at Hartington.

At Desert Lake.

Desert Lake, July 31.—The farmers have nearly finished haying, and report a good crop. Grain is looking fine, also corn and potatoes. The gardens are extra good. Timothy Freeman and Mrs. John McCullough were quietly married on Wednesday. John Ruttle has gone to Montreal. Bert Page has his barn nearly completed. J. N. Abrams still continues in very poor health. Visitors: Miss Crouder, at James Wilson's; Emerson Morey and family, at his mother's; Mrs. Frank Clark, Mr. and Mrs. Smith, at Arthur Pumroy's; Mrs. Clark, at George Hamilton's.

To Study Rural Problems.

Rev. Mr. Leach, pastor of the Methodist church, Bishop's Mills, left Tuesday to take a two weeks' course at Macdonald College, Ste. Anne de Bellevue, Que., studying the rural problem.
