INDIGESTION

Thousands Made Miserable By This Trouble

"FRUIT-A-TIVES" Relieves It

What is Indigestion and what causes it? As you know, solid food must be changed into a liquid by the stomach before it can be taken up as nourishment by the blood.

The stomach acts as a churn. It is covered by a strong, muscular coat and lined with a soft, delicate membrane which secretes the Gastric Juice which digests or dissolves solid

When food enters the stomach, the muscular coat squeezes and presses the food from end to end, or churns it, with the gastric juice to dissolve or digest it.

But-if the stomach muscles are weak-or if the dissolving fluid is poor or insufficient - then food cannot be digested properly and you have Indigestion.

"FRUIT-A-TIVES" is the most wonderful medicine in the world for strengthening the stomach muscles and providing an abundance of pure, full-strength dissolving fluid to completely digest every meal. "FRUIT-A-TIVES" does this because it keeps the kidneys active, the bowels regular and the blood pure, which insures pure Gastric Juice.

"FRUIT-A-TIVES" will correct your Indigestion or Dyspepsia and enable you to enjoy every meal, Try it.

Was Known in Kingston. Word was received in the city of the death, at Auburn, N.Y., of Oliver Boisselle, a highly respected merchant of that place. He was eighty-five years of age and was born in Canada. He is survived by his widow and three daughters. He was a former resident of Kingston.

Meagher-Thompson Wedding. A quiet wedding took place Tuesday at Christ Church, Belleville, when George H. Meagher, a well known gent's furnisher, and Miss Mabel Thompson, were united in marriage. Rural Dean Swayne, rector, officiated. The couple were unattended. Mr. and Mrs. Meagher left for the west.

Acknowledging Condolences. When your heart aches for some one who has gone on you do not feel like writing an endless list of letters or even signing the more formal printed cards. needless suffering.

Will Have Notices Posted. Tourists who have been prosecuted for speeding on the highway, under the provincial laws, criticise the manner in which the traffic regulations are enforced, and complain that there are no signs posted on the highways showing what the speed limit is. It is understood that the Automobile Association has taken the matter up with a view to having signs placed at convenient points for the information of travellers.

Removing Difficulties. Some of the difficulties resulting from the burning of the Athens high school building last October having been overcome, the High School board is in a position to assure the interested public that the school will go on next year as usual.
