**OF INTEREST TO WOMEN**  
Nurse Recommended Use of Lydia E. Pinkham's Vegetable Compound

Bothwell, Ontario.—"I was weak and run down, had no appetite and was very nervous. The nurse who took care of me told me to try Lydia E. Pinkham's Vegetable Compound, and now I am getting strong. I recommend your medicine to my friends, and you may use my testimonial."  
Mrs. D. Maxwell, R. R. No. 2, Bothwell, Ontario.  
The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old-fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, beneficial influence, and as it contains no narcotics nor harmful drugs it is a safe medicine for women.  
Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Mass.

**Certainly Why Not?**  
Eastern Ontario weekly newspapers are discussing whether editors should sing. Certainly! why not—so long as they don't annoy anybody. Now there's our old friend, Dan Jones of the Pembroke Observer. He tuned his voice and broadcasted and 19,247 radio enthusiasts were charmed at the splendid salvo of cannon they understood from Petewawa Camp. We didn't hear him; we only heard the report!

**Your Church.**  
Do you workers of your church realize that after all it isn't your church; that is, you haven't a corner on it. A church is a place of worship and every man, woman and child in this community has a right to a church. Many do not know this and it is your privilege to tell them about the church you are interested in. Tell it in the classified ads of this newspaper. Get all the folks to church and help in the work of building a firmer foundation so the church you call yours.

**THE BELL TELEPHONE COMPANY**  
LONG DISTANCE TELEPHONE

**To Reach the High-Class Trade**  
"Very kind of you to notify me by Long Distance of this sale of gowns. I expect to be in town to-morrow, and will call and ask for you, personally."  
Out-of-town women show a strong tendency to trade where they feel they are known. Get one of them to visit your store, and soon your's will become one of "her" stores.  
No letter or advertisement will convey to them the kind of welcome you can extend by Long Distance. Because you are talking, the invitation becomes more unconventional. It suggests the friendly relation you would like to see established. Distance does indeed seem to "lend enchantment" to opportunities offered in such a personal way.  
The method of presentation is three-quarters of any sale—what you say, and how you say it. The customers are right at your elbow. Don't call on them—call them up. It will not be the telephone's fault if you don't sell them.
