NURSE THINKS NOTHING BETTER
Lydia E. Pinkham's Vegetable Compound Advised for all Women in Poor Health

Toronto, Ontario—"I took Lydia E. Pinkham's Vegetable Compound for years and it is the only patent medicine I ever recommend. I am a nurse and if I find a woman is in poor health I always tell her to take it. Although you know that doctors and nurses do not use patent medicines I must say that I think there is nothing better than your Vegetable Compound. When I first took it many years ago, I was so tired when I got up in the morning that I could not eat, and when I went to bed I was too tired to sleep. My mother-in-law told me that Lydia E. Pinkham's Vegetable Compound was just what I wanted so I tried it and only took two bottles when I felt better. Since then I have found that there is nothing that makes me feel so well for it seems to build my system right up. I don't know any other medicine that has done so much for women."—Mrs. W. H. PARKER, 19 Wellesley Ave., Toronto, Ontario.
Women testify again and again that they have been helped by Lydia E. Pinkham's Vegetable Compound "after other medicines have failed." It has been tried for nearly fifty years and not found wanting.
If you are suffering from any of the various ailments which accompany female weakness try Lydia E. Pinkham's Vegetable Compound.

Battle of Arras Anniversary.
On Saturday August 26th, the fourth anniversary of the battle of Arras will be commemorated. The Canadian Corps with the Australians, struck the first blow in the final offensive of the war on August 8th at Amiens and then were moved to Arras. The Drocourt-Queant show lasted from August 26th to September 2nd and the break through by the Canadians pierced one of the first defences of the famous Hindenburg line. Throughout the whole battle all the Canadian divisions were used from time to time, and the enemy tenaciously held on in

fighting heavy losses from his almost impregnable trench systems until finally the Canadians were successful in gaining the position. The occasion will be recalled by many returned soldiers in the city who participated in the battle.

Good Offering at Half Moon Bay.
Rev. D. Mick in asking for an offering in aid of the Fresh Air Funds of Montreal and New York at

Half Moon Bay last Sunday afternoon reported the Gananoque Reporter, said there was a difference between an "offering" and a "collection." An offering was made after mature thought or in a spirit of gratitude while a collection was the result of a hit or miss plan. He illustrated his point by telling the story of a little girl who had a dog to which she was strongly attached. At the dinner table one day she asked for a slice to be cut from the roast for her pet who was waiting his turn in the kitchen. Her mother replied that this would not be necessary, as she had a few bits left on her plate, and Bobbie and other members of the family also had a few pieces. Although not satisfied she accepted the situation and going to the kitchen she said to the dog, "I tried my best to get an offering for you but could only get a collection." Now, said the preacher, "let us have a collection," and he got it. There was placed in the basket in bills and silver over \$65, a sum away in excess of that received at any previous service in this famous outdoor place of worship.
