THE LABOR DAY PICNIC AT THE FAIR GROUNDS

Retailers Defeat Plumbers 18 to 13—Forty-one Competitive Events.

Labor Day was fittingly observed in Kingston on Monday. Although a large number of citizens took advantage of the opportunity to spend the week-end outside of the city, a splendid programme of sports was carried out at the Fair Grounds under the auspices of the Kingston Trades and Labor Council. The weather was ideal and there was a large attendance. In addition to forty-one competitive events, there was a baseball match between the plumbers and retailers which was won by the plumbers by a score of 18 to 13. The prizes consisted of money and articles contributed by city merchants and others who desired to assist in making the celebration a success. It was an unqualified success.

The prize offered by Dr. G. W. Bell to the best looking lady was captured by Mrs. Morton, who won the decision over thirty of, perhaps, the most captivating group of young ladies the city of Kingston can boast. Miss Gladys Hill was awarded second prize and Miss Ada Turner third. The judges were W. J. R. Scott, A. E. Hunt and ex-Ald. W. Fleet.

The baby show which took place in the palace attracted great interest and for two hours the judges were employed in reaching decisions for there was a very large number of babies entered. There were as follows: Babies aged one to nine months: first, Mrs. H. Pickering's; second, Mrs. R. J. Gimblett's; third, Mrs. W. H. Jones'; fourth, Mrs. Brightman's. The motor cycle race, five miles, was won by Mr. Johnston in eleven minutes.

The Baseball Match. The Plumbers and Retailers contained members of some of the best city teams and a fine exhibition was presented. The Plumbers excelled in

batting and this was the cause of their victory by a wide margin. The result shows that Kingston is only weak in pitchers, and, providing the promising material is given opportunities to develop Kingston is assured of crack baseball teams, for an enthusiasm and athletic ability these players are unexcelled. SYDENHAM DOWNED BY PICTON, 13-5

Trent Valley League Takes First Game on Sydenham Grounds.

Sydenham went down to defeat yesterday on their home grounds in the first game with Picton in the O. B.A.A. semi-finals by the score of 13 to 5. The visitors outclassed the County League team and good pitching in the pinches enabled them to gain quite a lead. However, the Picton team does not put up errorless baseball and with a little tightening here and there the Sydenham fellows should make them step to win the series.

A feature of the game was the "two ball" play in the eighth inning. Knapp, first man up, had singled. As Dubois struck out he started for second. This seemed to cause a general rush of Picton players towards the plate and as Knapp came hurrying out towards second from the plate, one going on each side of the player holding down second. Knapp kept on moving and beat the throw-in to the plate. Many of the fans are wondering what George Sullivan would have said if the throw had beaten him.

The spectators were somewhat disappointed to see Sydenham trimmed on home territory, but the champions were playing winning baseball. Croft is a steady pitcher, and kept his twelve hits well scattered. During the nine innings he allowed three walks, had two wild pitches and struck out ten. Lee, for Sydenham, allowed thirteen safe hits, struck out six and gave four passes. Young pitched one inning during which he yielded three hits, struck out two and walked one.

Young led the batting for Sydenham and Croft for Picton, each having three safe ones stowed away. The Sydenham batters failed to show their usual punch and when men were in good positions on the bases their team mates could not seem to bang out the necessary little singles to score.

Here is the showing:

Semi-Final Slaps.

There were \$12 paid admissions to the game with a record gate of \$306.90, which is certainly a boost for the county league.

Rorke and Dubois were injured during the play. Hughes replaced Rorke.

Herrington, of Picton, drew walks on his first three trips to the plate.

The "two-ball" play has all the experts guessing.

She Has Raised A Family of Ten

DR. FOWLER'S Extract of WILD STRAWBERRY Never Failed Her

Mrs. Erwin W. Stairs, East Waterville, N.B., writes: "I have raised a family of ten children and have always used Dr. Fowler's Extract of Wild Strawberry for summer complaint, and it has never failed."

Four years ago, when the cholera was about, some of my neighbors called in the doctor, but could get no relief. I told them about "Dr. Fowler's," and after taking it they were soon well again. I also used it for two of my own children at the same time when they were passing blood, and a few doses soon made them well.

If you want to be on the safe side ask for Dr. Fowler's Extract of Wild Strawberry, and insist on getting what you ask for. There are many imitations on the market, so be sure and get the original "Dr. Fowler's" price, 50c. a bottle; put up only by The T. Millburn Co., Limited, Toronto, Ont.
