A SPLENDID FAIR WAS HELD AT CENTREVILLE

Exhibits and Sports Draw a Large Crowd to Annual Event.

"Bigger and better than ever," was the opinion of the hundreds of people who attended the annual show of the Lennox and Addington Agricultural Exhibition held at Centreville on Friday afternoon. The president and directors were greatly pleased with the large attendance.

Last year it was decided to hold a two days' show, but this year, after much consideration, it was the decision of the "powers that be" to only have the one day's show, and if one is to judge from the large attendance on Friday afternoon, their decision was very wise. The fair at Centreville during the past few years has become so popular that the management recently purchased additional land and it is the intention to enlarge the show grounds for next season. At the present time there is a race track one-third of a mile in length, and when the additional land is put in use it will mean that there will be a race course one half of a mile long.

It was certainly a great task for the directors "to put over" such an exhibition as was seen on Friday afternoon. In the large building the many exhibitors had placed some of the products of Addington county, and they were certainly a credit to any county. The exhibitors stated that on account of the wonderful growing weather this year, they had very little trouble in growing such excellent vegetables. One end of the building was used by the ladies who presented a splendid array of home-made cooking and fancy work. The best displays seen at any county fairs in years. The judges who were called upon to examine this work had a very difficult task in awarding the prizes.

During the early part of the afternoon the judges were very busy looking over the excellent showing of horses, cattle, pigs and other live stock. One of the main features of the exhibition was the awarding of the prize for the best single outfit driven by a lady. According to the conditions in this event the horse and buggy must have been in general use previous to the showing. Mrs. Lavern Huffman, Moscow, won first prize, and the horse owned by Roy Lamphkins, Moscow, was awarded second prize.

Three exceptionally good horse races were run, consisting of a "Free for All," "Classified" and "Green Race." In the "Free for All," K. L. Lambert, owned by Dr. Benson, of Lambville, took three firsts, while Judge, owned by Fred Brown, of Centreville, carried off first money in the "Classified Race." Barney Kelly, owned by Stewart Storing, of Tamworth, took three heats in the "Green Race" and was given first money. The races were very closely contested, and in a couple of heats there was only a nose length between the second and third horses. Toddie On, owned by E. McWilliams, of Camden East, which was entered in the "Green Race" injured its foot before the race commenced and had to be withdrawn. The results of the races were as follows:

"Free for All,"
K. L. Lambert, Dr. Benson, Belleville 1 1 1
Faust Patchan, James Fenwick, Napanee 2 2 2
Maud Murphy, Frank York, Tamworth 3 3 3

"Classified Race,"
Judge, Fred Brown, Centreville 1 1 1
Bobby Hill, John Finn, Enterprise 2 2 2
Bell Varty, C. Thompson, Bath 3 3 3

"Green Race,"
Barney Kelly, Stewart Storing, Tamworth 1 1 1
Queenie M., F. D. Marsh, Napanee 2 2 2
Ross Maguire, Mr. Burns, Erinville 3 3 3
Peter Wonder, Herbert Sexsmith, Napanee 4 4 4

The officials were as follows:
Starter, J. S. Johnson, Dorland; Judges, G. H. Williams, Napanee, W. C. Loyt, Bath, Otis Huffman, Moscow, and George Paul, Napanee. Mr. Johnson who acted in the capacity of starter certainly filled the position to perfection. He insisted upon the drivers getting across the line without delay.

Two baseball games were played; the first exhibition between Newburg and Enterprise resulted in a win for the former by a score of 8 to 6, while Wolfe Island won the second fixture from Tamworth by 14 to 7. Enterprise was the first to score and got two men across the plate in the second inning, while Newburg did not register until the fifth inning when Conway, Byrnes and McVeeley came home. Both teams scored one run in the sixth inning, while Newburg added one in the seventh, three in the eighth, and Enterprise got one in eighth and two in the ninth. This game was featured with a lot of hard hitting, and due to the roughness of the infield many hits which should have been fielded went wild. The teams were as follows:

Newburg—Shorts, 1b; Samson, 2b; Milligan, c; Conway, p; Byrnes, ss; McVeeley, cf; Dettler, 3b; Hynch, rf; Hannah, lf.

Enterprise—E. Bell, cf; Breen, c and 2b; R. Keller, p and rf; F. Bell, 1b; E. Craig, rf; Hartwick, c and 3b; R. Bell, 2b; E. Keoch, lf; K. Rikley, ss.

Umpire—Sam Conley.
The second game was more of less

of a slugging match, the honors going to Wolfe Island. Dick Spoor, the first man up for Wolfe Island, landed on a ball for a home run. On a couple of occasions with three men on bases, Wolfe Island players hit for three bases and scored the three runs. La Rush of Wolfe Island was struck with the ball over the heart and was put out of business for a few minutes, but was able to return to the game. Tamworth put up a good exhibition considering that their regular catcher was unable to perform, and for that reason James was handicapped. Three of Wolfe Island players were also out of the game, and their positions were taken by very good substitutes. The teams were as follows:

Wolfe Island—Spoor, 2b; LaRush, ss; Goodfriend, p; Kyle, cf; C. Conley, lf; S. Conley, 1b; Ryan, 3b; Taggart, x; Horne, rf.

Tamworth—J. Harrison, ss; James, p; T. Harrison, rf; Schumshaw, c; Bradshaw, 1b; Woodhouse, lf; Wells, cf; Richardson, 2b; Locks, 3b.

Umpire—Shorts, Newburgh.
The scores were:
Wolfe Island 10561010x—14
Tamworth 202020100—7

The officers of the fair were as follows:
President, Alf. Milligan; 1st vice-president, Johnston Hannah; 2nd vice-president, John Cassidy; secretary-treasurer, George A. McGill; manager, E. W. Loohead.

Directors—W. J. McGill, Clarence Loohead, Fred Brown, Clarence Hannah, P. J. Murphy, Jos. Cavanaugh, Anson McKeown, Wilbur Wilson, Jos. Tate.

Auditors—T. E. McGill and A. N. Lapum.

NO EXCUSE NOW FOR SPEEDING ON HIGHWAY

So Far as a Knowledge of the Speed Laws Are Concerned.

Soon the speeders will have fewer excuses for breaking the speed regulations on the roads of the district. The resolutions of the local automobile club to post the roads with signs warning travellers of the speed limit, is shortly to be carried out as the signs have been ordered and are expected shortly. The boards which are about two feet by one will be prominently placed on the important roads.

When this is done the travellers will no longer have the excuse that they did not know what the speed limit is. This is the story which has met the provincial constables all summer. When these signs are posted the traffic cop will have a good comeback to the "old, old story" when he overhauls the speed artist who has his mouth all set to tell it. The travellers who really do not know the speed limit will appreciate the action of the automobile club. It is likely, however, that the roads will continue to be the recreation ground for those who like to "let her out."
