How Good A Loser Are You?

You may not believe in crying over spilt milk. Or complaining about your hard luck. Or any of those things.

But a really good loser goes one step further. He sees what a little ad in the Whig's Lost and Found column can do for him.

And he generally recovers what he's lost!

Sounds hard? The only trick to it is deciding to use the Whig's ad. The rest is as simple as one, two, three!

Honest finders watch this paper's Lost and Found column. The little ads telling what articles have been lost and who have lost them are the connecting links that lead to the recovering of many missing valuables.

Remember this, next time you lose anything—call 243 and ask for an ad. taker!
