A LABOR CONFERENCE OF SUPERINTENDENTS

To Discuss Winter Emergencies—Kingston Considered Fairly Well Off.

A. Stroud, local employment superintendent, left on Tuesday by motor for Toronto where he will attend a conference of all local superintendents of the province. The situation has been steadily improving all summer, but it is understood that the conference is held in anticipation of the late fall and winter emergencies.

Late Mrs. Arthur Gaudreau. The death occurred in the Hotel Dieu at 3 a.m. Wednesday of Veronica Gaudreau, wife of Arthur J. Gaudreau, Toronto Mail and Empire, former of the Whig composing room staff. Mrs. Gaudreau had been ill for the past six weeks of heart trouble caused by an attack of sciatica from which she had recovered. She was the daughter of Captain and Mrs. Charles Cirtwell, Rockport, and was born there twenty-seven years ago. Eight years ago she was married to Mr. Gaudreau, for whom deep sympathy is expressed in his bereavement. The deceased leaves one little daughter Joan, aged four. She is also survived by her parents, two sisters and four brothers. Mrs. Gaudreau was a young woman greatly beloved by all who knew her. The funeral is to take place from the home of her brother-in-law, Zephyrin Gaudreau, 304 Earl street, on Friday morning to St. Mary's cathedral.

The Late Munsell Brown. At the age of sixty-three, the death occurred at Athens on Monday of Munsell Brown, a son of the late James W. Brown, a pioneer of that district. Deceased was a successful farmer until three years ago, when he sold the homestead at Glen Elbe, where he had always lived and where he was born. He always took a great interest in local affairs and had for years been a trustee of the Glen Elbe cemetery, the fine condition of which is largely owing to his management. For some years he was a member of the Brockville Dairymen's Board of Trade, representing Elbe factory as salesman. He was a good neighbor and was greatly respected by all who knew him. Mr. Brown is survived by his wife, formerly Miss Luella Taplin, Addison, Ontario. He was also survived by his sons, Omar Brown, Delta, Byron Brown, Glen Elbe, and Hiram Brown, Michigan, and his daughters, Mrs. Edith Wadsworth, with whom she lived, and three brothers, Levi, David and Stephen. The remains were sent to Picton by James Reid, undertaker, and the funeral was held from the home of her brother, Stephen Head, on Sept. 12th, interment in Cherry Valley.

Late Miss Maggie Head. Maggie Head, Picton, daughter of the late Peter and Mary Head, died at Rockwood hospital on Sept. 16th in her fifty-fourth year. Deceased had been in poor health for some time, but had only been in hospital since June. She leaves one sister, Mrs. Edith Wadsworth, with whom she lived, and three brothers, Levi, David and Stephen. The remains were sent to Picton by James Reid, undertaker, and the funeral was held from the home of her brother, Stephen Head, on Sept. 12th, interment in Cherry Valley.

Spoke at Bethel Church. R. Hayward, President of Christian Endeavor Union, in City. R. Hayward, president of the Ontario Christian Endeavor Union, spoke at a meeting held in Bethel church school room on Monday night, and gave an excellent report on the summer schools held at Muskoka in 1921 and 1922. The occasion was a joint meeting of the societies of Cooke's, Zion, Calvary and Bethel churches. Mr. Hayward also spoke on the convention to be held in Kingston November 4th, 5th and 6th. During the evening, Aubrey Williams rendered a fine solo. Rev. A. F. Brown and A. S. Duncan assisted in the devotional exercises. Station Agent Retired. R. A. Jamison, the well-known station agent of the C. P. R. at Arnprior, has resigned owing to failing health, after a continuous service of twenty-eight years.

MR. CAMPBELL'S VIEW RE ST. LAWRENCE POWER

Will Be Many Years Before It Can Be Put Into Effect.

Among the fifty delegates to the meeting of the Central Ontario Municipal Hydro Association in Port Hope on Tuesday were J. M. Campbell, H. C. Nickle and C. C. Folger. The gathering was held in the council chamber and, after the election of officers, power problems in the district were discussed. The primary purpose of the association is to secure a betterment of the hydro service and more power. It was proposed to make representations at Ottawa to secure the consummation of the St. Lawrence waterways plan and J. M. Campbell, an authority upon the matter, pointed out to the delegates that it would be many years before it could be put into execution.

It was also reported at the meeting that more power is now being used in Central Ontario than during the war. The Trent system is now at a peak of 32,000 horse power and is capable of only 9,000 horse power more. This, it was stated, would be taken up in the next two or three years. A resolution, proposed by J. M. Campbell, that a deputation should confer with the Hydro-Electric Power Commission regarding the possibility of securing more power was carried.

IN MARINE CIRCLES

The Walcondah, a steel freighter, has been purchased in England by A. B. MacKay, Hamilton, and is being brought to Canada to go into the lake-carrying trade for the balance of the season. She was built in 1903 for Mr. MacKay, but went into war service and thence into the ownership of the Canada Steamship Lines. The steamer Branifford cleared on Tuesday morning to load coal at Oswego. The schooner Granger cleared for Wolfe Island to load grain for Richardson's elevator. The steamer Concretia arrived from Prescott after an inspection tour of the river and will await orders here. The steamer Richland Dalsey will probably clear for Oswego tonight to load coal for western points. The steamer Canadian arrived up from Montreal on Tuesday morning and cleared with freight for the head of the lakes. The steamer Brockville arrived down from Picton on Tuesday with freight.

Canadian Pacific; Hunters. This year the Canadian Pacific is distributing an eight page folder, containing the information a hunter wants: Game laws, baggage regulations, special and regular train services, besides a large scale map of the district along the line of the Canadian Pacific in Northern Ontario—the places where the big fellows roam. Get your copy now; get the bunch together and choose your location. Canadian Pacific agents will be glad to assist you in planning your journey and making any arrangements necessary to your comfort and convenience; or you may write, phone or call city ticket office, 180 Wellington street. Phone 1197.

Rotary Club Activities. Rev. R. Bruce Taylor, principal of Queen's University, will be the speaker at the Rotary Club luncheon on Friday. Harry Breathwaite has been appointed as a new director, succeeding Harry Millar, who has resigned to take over the position of manager of the Metropolitan Insurance Company, in Ottawa.

Lower Conversion Rate On English Money Orders. Washington, Oct. 4.—Reduction of the conversion rate on money orders payable in Great Britain from \$4.60 to \$4.50 to the pound sterling, effective October 4th, was announced by the postoffice department. In explaining the action Assistant Postmaster Glover said the department desired to "give its patrons the benefit of every material reduction in the exchange market." Fewer Births in Peterboro. Peterboro, Oct. 4.—There was a death each day during the month of September and the same number for the corresponding month of 1911. The stark was not quite so busy as last year with only 46 new arrivals, as compared with 59 for the corresponding month the previous year.
