Have Installed Oil Burners.
 A few of the citizens of Kingston have had oil-burning apparatus installed in their furnaces for the winter's supply of heat, and a great many more would probably do so if they were sure of the heating qualities of the new invention. It is understood that if the present experiment is a success, there will be a number of people who will be won over to the innovation next year.

Improvements to Street Cars.
 It is noticeable that the closed street cars have been newly painted. Workmen have been engaged throughout the summer renovating the cars for the winter traffic, and they are now in first class condition. It is not every city that can boast freshly painted cars for each season.

Mrs. Cynthia Yates, Athens, has about recovered from her injuries received from a bad fall and is able to be out.

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?
 Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

Simmons Mattresses
 for the Relaxation and Sleep You Need

We feature Simmons Mattresses because they conform exactly to our ideals of purity, sanitation, comfort and satisfaction. They are made of pure, clean, new Cotton only. Old, "renovated" materials are never tolerated. They are pure, sweet and sanitary through and through—just such mattresses as you want to sleep upon—yet their cost is no greater than you would be obliged to pay for inferior grades that nobody can conscientiously vouch for. Come in and let us show you all the different styles and qualities.
