Find Right Thing Through Whig.
Do you want a one-room-house, a bungalow, an apartment, a house, a farm, an investment? Finding the right thing is of the greatest importance to you. Don't be a quitter, be persistent! One stays in the home usually for years and a bit of stick-to-itiveness in looking for the best will add much to the happiness. This newspaper reaches the class of people who, when they have property to sell, have attractive pieces—the sort of places nice people want.

Tell Them! Tell Them!
If you are selling hairpins don't go out of business because the women bobbed their hair. Everybody didn't and many who did bob will not bob a second time. If you have good hairpins that will hold bobbed hair into place and make it look attractive even if straight, tell the women so, they want to know it. Tell them all about the things that you have that will make unattractive bobbed heads lovely.

Celebrates Birthday.
A pleasant surprise was given to Mrs. Elizabeth M. Robinson, Clayton, N.Y., last Wednesday, the occasion being her sixty-ninth birthday. Those present were Mrs. Robinson's daughters, Miss Cora Robinson, Mrs. Clarence Kilborn and family and Mrs. William Handley and family. The evening was delightfully spent.

At the Odessa fair held last Friday, one of the most interesting events on the racing calendar, was the farmers' trotting race. There were several entries, and the race was well contested, but no particular attention was paid to the time, as it was not expected that any records would be smashed. One farmer present was very anxious to know what time had been made, and called out to one of the judges who replied, "The race was run off on daylight saving time," much to the amusement of the spectators.

Can the Deaf Be Made to Hear?
This question can be answered both ways. If the deafness is due to Catarrh, success is general if the sufferer persists in the use of Catarrhone, and thereby drives Catarrh out of the system. Penetrating through the passages of the ear, the soothing vapor of Catarrhone relieves the inflammation, destroys the Seeds of Catarrh and thereby allows nature to reassert herself. For Catarrhal Deafness, pain over the eyes, plugged nostrils and other symptoms associated with Catarrh, use Catarrhone. You'll be more than pleased with the quick improvement in your condition. Two months' treatment, One Dollar, sold everywhere, or the Catarrhone Co., Montreal.
