How Zam-Buk Rid Me of ECZEMA

"I suffered with eczema for over a year," writes Mr. Z. D'Amico of 722, Papineau Avenue, Montreal. "Though I had treatment from three doctors, costing \$50 in all I continued to suffer intensely with the irritation and pain. I thought I should never get relief, until one day a friend told me about Zam-Buk and persuaded me to use it right away. I felt the benefit of the first application. Zam-Buk relieved the irritation and cooled and soothed my skin wonderfully. Gradually the sores began to heal and, with perseverance, Zam-Buk completely rid me of the disease. I wish all other sufferers could only realize the utility of experimenting with ordinary ointments in troubles like eczema. Zam-Buk used in the first instance would save lots of needless suffering and expense. Every home needs Zam-Buk for rooting-out skin troubles like boils, pimples, abscesses, poisoned wounds and sores. For cuts, burns, scalds, sprains, it is also indispensable. 50c. box, all dealers."
