Poor Old Pop had his hands full keeping his wife and youngsters in a style to which they had accustomed themselves. The children learned to neglect their old-fashioned dad, and even mother preferred Bridge to Home Life.

Remembrance

DEAREST:—

I have just seen the great picture play, "REMEMBRANCE," at the Allen Theatre. The hero is "Pop," who has all the worries and pays all the bills while "Mom" and the Children have all the fun.

Pop made a remark that flashed across the screen and into my soul.

He said: —

"A Life Insurance Policy is the sincerest love letter a man can write!"

Fill out the blank below and send your wife or mother or children a sincere love letter.
