A million dollars' worth of advertising wouldn't make our clothing popular. SATISFACTION is what did the TRICK. The first Suit sold the Second. The Second sold the Third, etc. That's how it happens that so many men are wearing Lion Suits and Overcoats, and finally we price them so reasonable that every garment gives the wearer so much value that he is our FRIEND for LIFE, and is the reason we are becoming the Leading Clothing Store in Kingston.

SUITS AND OVERCOATS
MADE TO YOUR
INDIVIDUAL
MEASURE

A fair price is one that permits both the store and the customer to stay in BUSINESS after the transaction is closed. And we mention that merely to emphasize that in buying our clothes we price them closer than they can be procured anywhere else in Canada for the same quality of merchandise, and what is the difference—simply that we're PROUD when you're PLEASED and PERSONALLY concerned when YOU'RE NOT. Your clothes are our clothes, when they're Lion Clothes, and you get something and save something. The new Winter Overcoats are ready, and their prices prove that we practice what we preach.

PEPS

'The Remedy You Breathe'

Peps are so like the lung-healing Alpine air in effect that a box of Peps may be said to bring a pine forest into every home.

The healing, germicidal Peps medicine is breathed from pleasant dissolving tablets straight to the lungs. In this way, Peps carry comfort and disease-resisting power to all parts of the breathing system.

Germ-trouble in the throat or bronchial tubes is promptly ended, and soreness or inflammation caused by a sudden cold or chill readily soothed and cured.

Peps are the safest, speediest remedy for the throat and chest complaints of young and old; for night cough, grippe, bronchial asthma, laryngitis, tonsillitis.

for **COUGHS, COLDS & BRONCHITIS**

PEPS are obtainable at all medicine dealers. 50c box, 7 for \$1.25 or from The Peps Co., Toronto. TRIAL SAMPLE, for 1c, stands (return postage).

MOTHER!

Move Child's Bowels with
"California Fig Syrup"

Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother: You must say "California" or you may get an imitation fig syrup.

DRURY IS AFRAID
OF THE ORANGEMEN

Belcourt Urges Hands-Off-Quebec Policy—School Question Important.

Ottawa, Oct. 19.—"There never will be unity in this Canada of ours until French-Canadians have been given that justice to which they are entitled, with regard to the use of their maternal tongue and the education of their children," declared Senator N. A. Belcourt, the principal speaker at the Liberal rally which was held at Casselman last night.

Senator Belcourt said that for him the school question was of paramount importance, not only for French-Canadians, who were vitally interested, but the long-desired unity of the two great races of the country could only be established by the proper settlement of this question.

"I believe that Premier Drury is more Liberal at heart than Progressive," said the senator, "and that he

is anxious to settle the school question, but he is afraid of the Orangemen, which is a pity. It is possible that there may be an alliance between Premier Drury and Mr. Hay, the Ontario Liberal leader, which is devoutly to be desired, for when that day arrives the school question will be definitely settled."

At the church of St. John the Evangelist, New Dublin, on Wednesday, John M. Dawson, son of Mrs. William Dawson, Bellamy, and Miss Eva May Wilkins, daughter of Abyssinia Wilkins, Brockville, were married.

Providence, R.I., Oct. 19.—The Colonial line steamer Concord, New York to Providence, was on fire this morning off Watch Hill. The passengers were transferred to the freighter Mohegan and brought here. Officers of the Mohegan said the crew had the fire under control and that the steamer was proceeding to this port under her own steam.
