A Toronto despatch says: Right sels led the Blue and White to the Dominion championship. And the locals are downright confident, too, that they will beat the Tri-color. In past years they were probably ashamed of themselves for travelling at top speed against the plucky players from the Limestone City, but it is different now, and U. of T. will have to be at their very best and showing no mercy when they meet the Batstone-Leadley-Harding-Evans-McKelvey brigade Incidentally it might be stated that the Queen's team contains many star performers. In addition to the "Reading maketh a full man." - players mentioned above there are Thomas, Veale, Walker, Lewis and Campbell, all of more than ordinary merit. LIMESTONES DISBAND

UNTIL NEXT AUTUMN The Limestones Football Club executive, at a meeting held last evening, decided to discontinue operations for this season, to call in uniforms and commence plans for a very active campaign next fall. The reasons were quite obvious. Limestones had given a bye with Peterboro, in the intermediate O.R.F. U. but could not make sure of dates. They finally secured October 28th but the Peterboro team could not be sure of this, and, rather than hold up their own players and other teams on uncertainties, the executive considered it advisable to withdraw, but for this season only.
