FIERY, ITCHING SKIN IS QUICKLY SOOTHED WITH THIS SULPHUR
 Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist.
 The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up.
 A small jar of Mentho-Sulphur may be had at any good drug store.

ASOP'S Fables THE BIG FLOOD

 Two skunks climbed into Noah's ark. And Noah fed and sought to park Himself upon the highest mast; But then there came a windy blast And Noah and the skunks were blown into a country quite unknown Where cannibals came round, pell-mell, Then fled—they couldn't stand the smell!
 The moral's quickly understood, "Even an ill wind blows some good."

Well, I Never.
 Mrs. See-All. "I saw Mr. and Mrs. Poorer in an auto yesterday. He was driving it. I've been wondering ever since whose car it is."
 Mrs. Know-It-All. "It was their own!"
 Mrs. See-All. "Nonsense, my Dear, they can't afford a car."
 Mrs. Know-It-All. "Perhaps they couldn't—but they can. They've been studying the classified ads and found a duck of a car at a price quite within their means. I'm going riding with them tomorrow."

Watch Classified Ads.
 Be good to yourself and to your family and to your friends. Growing-up children take a keen delight in automobiles. A good car will do a great deal toward keeping them out of mischief. A car is a necessity—you can't afford to be without one. Watch our classified ads for the best offerings.
