The Canadian Department of Agriculture has taken up the question of selling vegetables by weight in place of the present antiquated system of measure. It is the intention of the Department to put into force the Root Vegetables Act which will tend to scrap the gallon and other measures in the case of selling and buying vegetables of all sorts. The present method has long been condemned as unfair.

An interesting debate was held with Mrs. Zilea Gile and Mrs. Isaac Stevens, holding to the opinion that a neat tidy, ill tempered wife was more to be desired than a slovenly good natured one, the last being upheld by Mrs. Hilliard Davison and Mrs. Thomas Moulton. Good points were brought out on both sides, but the judges gave the verdict in favor of the slovenly good natured wife being the most desired.
