Powell representing the science-medical faction, is his opponent. The following are the nominations for some of the major offices, the arts candidate being mentioned first: 1st vice-president, E. L. Murphy and V. Minnes; secretary, D. B. Taylor and W. A. Henderson; critic, R. G. McKercher and G. E. Flanagan.

Principal R. Bruce Taylor was elected honorary president by acclamation, and Orrin Carson was elected athletic stick by acclamation. The athletic stick-elect is in the final year science and a member of the first rugby team.

MASQUERADES AS MAN, GIRL IS SENT TO JAIL

Her Sex Unknown Until She Raised a Howl About Being Searched.

Montreal, Nov. 28.—Alice Martin, a twenty-year-old girl who claims she is from Winnipeg, was arrested by the Westmount police last night for masquerading in male attire in the company of two Ottawa men, who gave their names as Peter Trudeau, aged 22, and Rene Oullet, aged 26. When apprehended the trio were loitering under the balcony of a house on Prince Albert avenue. Brought before Magistrate Raddon in the Westmount Police Court this morning, the masquerader received a thirty-day sentence, while her companions, neither of whom had a cent, were sentenced to fifteen days jail, with the option of a fine of \$20. The girl's sex was not discovered until her strenuous objections to being stripped and searched at headquarters aroused the suspicions of the police. Westmount authorities described her as "the bummet of the three bums."

DOG IN EAGLE'S TALONS.

N.Y. Crowds Watch Great Bird Devour Prey.

New York, Nov. 28.—Pedestrians in Riverside Drive paused at 1.30 o'clock yesterday afternoon to watch what seemed to them as extraordinarily small aeroplane. It was sharply silhouetted against the clouds at a height of 1,500 feet or so, and the astonishment of the observers grew as the "machine" apparently hovered, a thing that aeroplanes can't do yet, but will when the helicopter has been perfected.

A woman in an apartment on West End avenue, noticing the sky-gazing crowds, got out a pair of field glasses to gain a closer view of the thing that was attracting their attention. What she saw through the binoculars led her to turn to a telescope, and then she had revealed to her a most unusual spectacle.

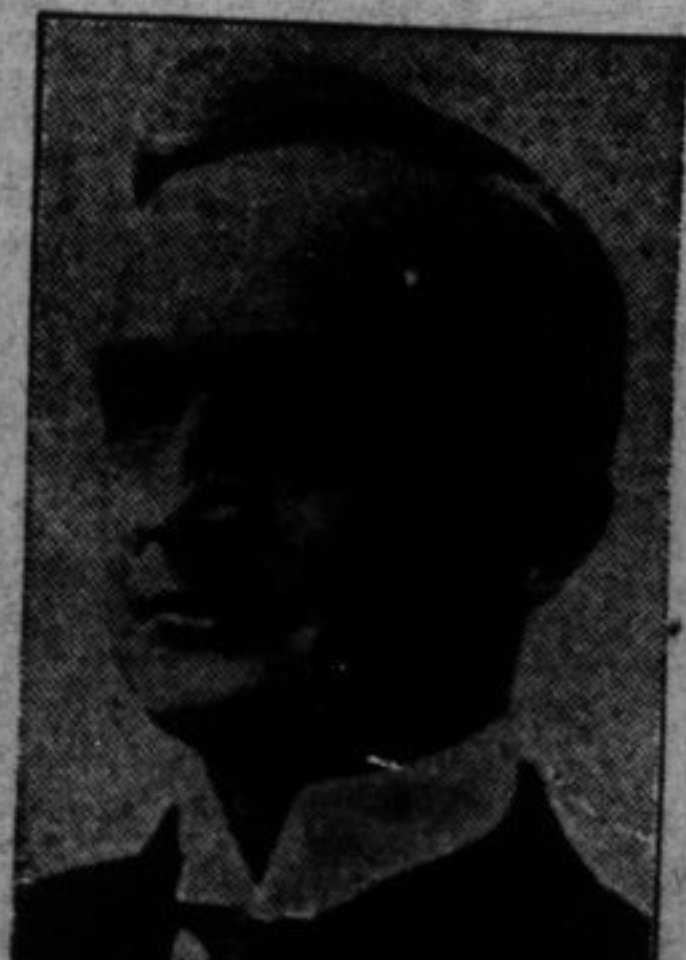

The "aeroplane" was in reality an eagle, riding leisurely on the stiff northwest breeze and bearing in its talons a terrier. Whether it was a small Airdale or an Irish terrier the woman could not be sure, but it plainly was a dog, and as she watched she could see the great bird strike with its beak at the eyes of its prey or at the base of its skull.

For ten minutes the woman watched the strange sight. She lowered her telescope, then for a moment, and when she scanned the heavens again the eagle was lost in the clouds.

Bravery of Belleville Girl.

Belleville, Nov. 28.—At a Girl Guides' sacred concert here a silver medal was presented to Miss Margaret Blaind of this city by the Girl Guides' Association for saving the life of a child on a railway track by rushing in front of a train and throwing herself and the child down a bank beside the track.

Fire losses in Canada during the week ended Nov. 23rd, are estimated by the Monetary Times as \$259,000, compared with \$547,500 the previous week.

WINNIPEG'S LABOR SEAYOR
