HISTORY AND GROWTH FIRST BAPTIST CHURCH

Was Referred to in Excellent Address by Rev. Douglas Laing.

A very interesting resume of the history and growth of the First Baptist church was given by Rev. Douglas Laing, former pastor of this church, speaking before a large congregation in the church on Wednesday evening. The speaker told of the early struggles of the members of the first congregation, and of their happy reward in the present fine edifice erected in recent years as a direct result of those early efforts.

The first organization of the First Baptist congregation was in 1840, although these devout people had worshipped together in a house on Bagot street. Later they met in the home of a Miss Morrison, Johnson street, between Clergy and Bagot, and about two years later, the first church building was erected on the site of the present Christian Science church. There were twelve persons in the original congregation, and as far as it is known, there are no descendants at present living in Kingston. The building was afterwards enlarged and veneered, being formerly of rough-cast structure, and a parsonage added. The growth of the city brought about a desire for a more central location, and the present Sunday school room was erected in 1904, where the congregation worshipped for nine years, the main building being erected in 1913. It was under the leadership of Rev. Mr. Laing, who was pastor for twenty-eight years, that the present buildings had been constructed, and the present membership of approximately 250 is largely due to his early efforts. Among the other noted pastors who had charge in other years were Rev. E. Grafty and Rev. Dr. Hooper.

The address was greatly appreciated by the audience, many of whom were familiar with the conditions previous to Rev. Mr. Laing's pastorate. The programme also included solos by Mrs. G. Clark and James Marshall. On Sunday next, Mr. Laing will occupy the pulpit in the First Baptist church.

GALA DAY FOR SCOTCH

Greetings Exchanged by Kingston St. Andrew's Society on Thursday.

The flags were flying on the city buildings on Thursday, in honor of St. Andrew's Day—a day of days for Scotchmen the world over. It was also a big day for the heather.

The occasion marked the eighty-second anniversary of the Kingston St. Andrew's Society, and the local society received warm congratulations from citizens in general. The society will celebrate at a banquet tonight in the Frontenac hotel. The honorary secretary-treasurer, James Stewart, forwarded a large number of greetings to outside societies during the day, and received a great number of greetings from outside societies.

Among the places the local society received greetings from were the following: Halifax, Westmount, Chicago, Hamilton, London, Ottawa, Richmond County, Quebec; Albany, N. Y.; State of New York, Winnipeg, Illinois. The Kingston society also received a warm greeting from one of its oldest members, in the person of Rev. John Mackie, former pastor of St. Andrew's church, who is in Hamilton.

The Kingston St. Andrew's Society sent greetings to societies in the following places: Montreal, Richmond, Que., Winnipeg, Ottawa, Victoria, B.C., New York, Halifax, Chicago, Quebec, Hamilton, London, Cornwall, Toronto, Trenton, St. Catharines, New Glasgow, N.S., Vancouver, B.C., Albany, N.Y., Troy, N.Y., Welland, Ont.

Charged with illegally having in his possession a still and apparatus used in the making of liquor, John Coad, Kitty township, was fined \$300 and costs \$9.75 by Magistrate Page, Brockville, with the option of seven months imprisonment. Coad was committed to the county jail, but it is understood that his fine is likely to be paid shortly.

Among other things that won't bear the light are shadows.

Y. M. C. A. CAMPAIGN

For Members To Extend To The 6th December.

By unanimous consent of the captains of the various teams which are working in connection with the campaign of the local Y.M.C.A. for members, the campaign which was slated to close last evening, it was decided to postpone the closing for another week. This action will in a great measure enable the association to more nearly reach its objective of 100 boys and 100 men. There are a great number of memberships expiring in the first week or two in December and it is felt that the renewal of these will be secured by the extension of time. The score board last night showed the following points to the credit of the various teams:

George Wilson, 195; K. K. Leishman, 86; J. Lomax, 63; K. Mouchieff, 31; L. Wallace, 29; A. Brunke, 13; O. Kendrick, 13; K. Gimblett, 12; Staff, 11; D. Dixon, 10; W. Percival, 8.

So far the campaign has secured 52 members and 36 renewal members. In the individual contest George Wilson is leading with 15 new members and 8 renewals to his credit. "Jack" Twiss another member of Wilson's team is second with 7 new members and 3 renewals. W. Bruce and K. Leishman have each 8 members to their credit.

One feature of this year's campaign is the number of boys who are claiming the privilege of tickets on the installment plan which is allowed when the ready cash is not available. There are also a number of persons purchasing tickets for needy boys.

Letters to the Editor

No Prejudice Against Quebec. Elginburg, Ont., Nov. 28.—(To the Editor): I was rather surprised to read in your excellent paper a statement by the Hon. George Graham that was virtually slandering his own province, when he said that Ontario was bigoted and prejudiced against Quebec. That statement is false. I would like to ask Hon. George Graham where was Quebec when the big struggle was going on, and if Germany had conquered how much of Quebec's present liberties would have been continued under German domination? We know that Regulation 17 sits hard on Quebec. A great many privileges that Quebec possesses are the fruits of political trickery. They have no substantial right to those privileges, but at the same time let Quebec keep her French within her own province. The English language is good enough for our province. The English language is the victorious language and the best language in the world. The time must come when we shall not only demand but have but one language for the whole of this dominion, as we shall have but one school for the dominion. That time is coming, and it can't come too soon. We refute the statement of the Hon. George Graham. We want to see the French-Canadian enjoy the same liberty that every British subject in this dominion has the right to enjoy.
