Best Cough Mixture Is Home Made

Acts With Speed—Loosens the Phlegm—Stops the Irritation and Coughing Ceases

FINE FOR CHEST COLDS TOO AND IS CHEAPLY MADE AT HOME.

When you can make, in two minutes, a world beating remedy that acts directly on the membrane and often overnight causes stubborn coughs and even hard chest colds to disappear, why trifle with things that will probably disappoint?
Hawking and snuffling and also soreness of the mucous membrane go and you will feel fine in almost no time.
Just get one ounce of Parmit (double strength) add to it a little sugar and enough hot water to make a half pint and you've got an inexpensive remedy better than you can buy ready mixed.

Its soothing, healing action on the membrane is the reason so many people use it for Catarrh and acute nasal colds.

SULPHUR SOOTHES UGLY, ITCHING SKIN

The First Application Makes Skin Cool and Comfortable.

If you are suffering from eczema or some other torturing, embarrassing skin trouble you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist.
This sulphur preparation, because of its germ destroying properties, seldom fails to quickly subdue itching, even of fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Rowies Mentho-Sulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.

Anniversary at Odessa.
Rev. Dr. Falls, Toronto, preaches anniversary sermons at Odessa Methodist church on Sunday, Dec. 3rd, at 11 a.m. and 7 p.m. Special music at both services.

To Hold Inspection.
The annual inspection of "A" Company, Frontenac Regiment, will be held within the next two weeks, and the officers and men of the unit are very anxious that a good showing be made.

Credit To The Unit.
The new headquarters of the Kingston Naval Cadet Corps at Princess and Ontario streets is a credit to the unit, and there is plenty of space for recreation and instruction during the winter months.

Driver Instantly Killed.
While hauling a load of hogs to Hastings the horses took fright and upset a wagon driven by James Watt, Robin's Landing. Watt was thrown against a tree and instantly killed. The unfortunate man moved into the locality from England. He was a veteran of the South African

War and leaves a wife and two daughters.

For Fall and Winter.
We have received all our fall and winter goods, consisting of Boys' and Men's overcoats, Boys' and Men's suits, also a large range of cloth for suits made to measure at reasonable prices. Prevost, Brock street.

After New Schools.
Pembroke Board of Education is to ask the council for \$100,000 for an East Ward school building. The site has already been purchased. A new high school building is also in contemplation.

Acclaimed in Brockville.
Only two acclamations have resulted as the result of the filing of qualifications by municipal candidates. They are: J. J. Venney and G. W. Warwick, Councillors in the Centre Ward.

To Be Full of Ships.
A local marine man, who has made an estimate, upon pretty reliable information, states that there will be thirty steamers berthed at Kingston for the winter. These will include fourteen C.S.L. steamers previously mentioned, six of the Key-stone line, six of the Mathews Line. There will be some others from different lines and possibly a few

caught here at the close of navigation. So the prospects at the present time are very good.

Kids Disappointed.
The youngsters about town received a real disappointment on Thursday morning, when they found that the snow had melted during the night and that their sleighs would have to be kept inside for some time at least.

Died in Cannifton.
Harold Ross Callery, younger son of Mr. and Mrs. Charles A. Callery, Cannifton, died Saturday after an illness of some duration. He was born at Cannifton twenty-four years ago. He was through the war and developed the fatal illness.

A Benefit Euchre.
The A.O.H. euchre was held on Monday evening for the benefit of shoe and stocking fund of the Children of Mary Poor Relief, and the sum realized was \$39.35. The first prize a bag of potatoes was won by Miss Rodmond, and donated by her to the fund.

Results.
Some people have to know results before they will start; but anyway, results do count and they count tremendously. If you are timid about advertising—let us show you some results—some convincing results of good advertising.

Support.
Stores are supported, not by the casual shopper that happens to pick up something, that has dropped in while waiting for a train or a bus, but by the people who read the store ads and come to the store for a definite article. Those are your best customers.

Gave Them A Surprise.
Tuesday evening, Nov. 21st, the seventy-sixth birthday of J. B. Foster, Picton, some twenty of his children, grand-children and great-grandchildren gave Mr. and Mrs. Foster a great surprise by gathering at their home with well-filled baskets. A very enjoyable evening was spent.

Stolen Banners Recovered.
During Wednesday night, some person or persons stole some banners placed on Queen's University grounds advertising arts candidates in the Alma Mater Society elections, but on Thursday forenoon the banners were located and put in position again. A lively time is expected at the elections to be held on Monday.

At December Sessions.
Judge Lavell will preside at the December sessions of the peace, which opens in Kingston on December 12th. The case of the young man named Smiley, charged with shooting at Mrs. Aylesworth, Cataraqui, and the case against J. G. Evans, charged with assault, with intent to do bodily harm, will be called at this court.

Not Quite so Old.
Ex-Sheriff Dawson was much surprised to read in the newspapers that the late Isaac Sammons, who passed away a few days ago, was 112 years of age. He thinks otherwise, because he was born on his father's farm at Wolfe Island, and was in the neighborhood of eighty-six years of age. Mr. Dawson spoke very highly of the Sammons family.

Expect Sir Henry at Banquet.
Sir Henry Thornton, new president of the Canadian National Railways, is expected to be in Belleville as guest at a banquet which will be tendered to W. D. Robb, managing head of the Grand Trunk, on Dec. 11th. Mr. Robb was at one time a resident of Belleville, and it is a tribute which his friends wish to pay him. Sir Joseph Flavelle is coming, and several big transportation men from the United States will attend.

Purchased Fast Trotter.
At a Toronto speed sale Hon. John Webster, Brockville, made the purchase at a fancy figure of the well known trotter Valerie Todd, a product of the Manchester Stock Farms, Galt. Valerie Todd has a mark of 2:12 1/2, and is a half sister of Lambert Todd, formerly owned in Sherbrooke, which was sold last week at \$10,000. At the same sale B. H. Soper, Smith's Falls, purchased Baroness Todd, a daughter of Kentucky Todd, one of the best known trotters on the continent.

Mrs. B. W. Tackaberry Dead.
At St. Vincent de Paul Hospital, Brockville, the death occurred on Tuesday of a well known and highly respected resident of Addison in the person of Mrs. B. W. Tackaberry, who passed away after a brief illness. The late Mrs. Tackaberry was born at Addison thirty-three years ago, daughter of the late Mr. and Mrs. George Scott, and resided all her life in the district. She was an honor graduate of the Athens High School. After graduating from the Ottawa Normal School she taught for a period of nine years; being for six years on the staff of the Prescott Public school, and three years teaching at Addison. The deceased was a short story writer of some prominence.

We do not know much. But we do know that it isn't the working they do for other people that makes people pine away.
