ALL THE FAMILY HAD BAD COLDS

"Did you ever notice that if one of the family contracts a cold it generally runs to all the other members?" Many people when they contract a cold do not pay any attention to it, thinking perhaps it will pass away of itself in a day or two. This is a great mistake for before they know it, it has become settled on the lungs. Never neglect the first symptoms; get a bottle of

Dr. Wood's

Norway Pine Syrup

and see how quickly your cold will disappear. Mrs. A. Coghlan, Magnolia, Alta., writes:—"Last Winter we all had bad colds in our family, and I didn't know what to do. Some folks told me to try Dr. Wood's Norway Pine Syrup, so I went and got a couple of bottles, and in a short while our colds were all gone. Now we always keep a bottle on hand in case one of us might catch a cold."

"Dr. Wood's" is 35c. and 60c. a bottle; put up only by The T. Millburn Co., Limited, Toronto, Ont.
