Coming Events.
Our schools, churches and societies are constantly "pulling off"

games, parties, and events too numerous to list. Each event has its needs; new clothes, hats, shoes, favours, cards, food, costumes, etc. Are your ads where the youngsters will see them when they come to their own big time?

Call Is Extended.
The united Presbyterian charge of Hallville and Reid's Mills has extended a unanimous call to Rev. James Clark, M.A., of Montreal, to become its pastor at a salary of \$2,000 per annum with free use of manse, telephone, and one month's vacation annually. It is expected that the induction will take place in January.

Missing Almost Three Months.

Because You Must Sell
In a hurry is not a sufficient reason for "giving away" your property. There is a fair rate of exchange for what you have to sell. Use our classified ads and find the man who appreciates value. He is looking for good things, knows them when he sees them, and is willing to pay a fair price.

Schools Found Unsafe.
The new fire chief has been making an inspection of the Pembroke schools with a view to ascertaining the amount of protection afforded in case of fire to prevent loss of life. Of the five schools in the town he found only the new West ward school satisfactory. Of the four other unsatisfactory buildings the high school was conceded to have the best fire drill, although the fire escapes in that ancient building were

Word was received in Gananoque on Friday of the death of Mrs. Jack Byron, in the west. She was formerly Miss Irene Abernethy. Douglas to Denhign Road.
A movement is on foot to have the legislature petitioned at its coming session to construct a highway from Douglas to Denhign by way of Caldwell Station and Dacre. This would link up the county provincial highway of Renfrew, and Lennox and Addington now being built and would be a "short cut" between the upper Ottawa Valley and Western Ontario.

Welcomed the Couple.
A delightful miscellaneous show-er was held at the home of Mr. and Mrs. R. Wilson, Wilstead, on Friday evening in honor of their marriage which took place in Gananoque the previous Wednesday. About eighty guests assembled to show the high esteem in which Mr. and Mrs. Wilson were held by the people of Wilstead, and bringing with them gifts for the popular couple.

Buying Useful Gifts.
What are the people buying for Christmas gifts? A survey made around the stores, shows that citizens are purchasing for the most part what might be referred to as sensible gifts, that is they are buying useful articles. While the Christmas business in the stores has been brisk at times, on the whole it is stated that the business has only been fair.

The Easiest Way.
My Love—"What are you going to do with the old piano since Dad gave you the Grand? It's perfectly good."
My Life—"Oh, of course it's good. That's one reason I sold it so easily. The other reason is that I put an ad in Our Paper's classified columns. The nicest couple came and they are going to send for the piano in the morning."

Lights the Streets.
At the November meeting of the North Augusta Women's Institute, it was decided to purchase gasoline lamps for the better lighting of the village streets until such time as an electric system is available. The Village Trustee Board is co-operating with the Institute in installing and operating the lamps and the result is that the streets have taken on a wonderfully improved appearance at night.
