Granites Defeat Circle Six. The Granites defeated Circle Six by 5 to 0 in the opening game of Group "B," Senior City League, at the Palace rink on Saturday afternoon. The play was fast and furious for the entire sixty minutes, but the heavy Granites soon proved their superiority. The losers are a lighter and less experienced team, but many of their followers assert that they will yet win out in the series of five games that are being played for the championship of the group.

The winners of the series will play off with the winners of Group "A," who are now in the midst of a struggle of supremacy which has never been equalled in the city league.

Granites-Holman, goal; Beckett and Grant, defence; Purdy, centre; McLaughlin and Fowler, wings; Fowler and Rice, subs.

Circle Six-Matheson, goal; E. Morris and McKelvey, defence; Mc-Pherson, centre; Reid and Leggett wings; Orwell, sub. Referee-"Jack" Powell.

As in the Varsity-University of Montreal game on the same day, overtime was necessary to settle the Queens's-McGill match in Montreal. on Saturday. At full time the score stood two all and in the ten minutes of overtime Gibson scored twice, once on an assist from Bond and once alone. #### Some Travelling

George Shepherd, the popular manager of the Elginburg hockey team travelled no less than fifty-six miles with a horse and cutter on Saturday in connection with matters pertaining to his team. He made four trips to the city, went out to Sydenham and back, and drove from his home to the village of Elginburg, which made another six miles. The members of the Elginburg team are all very enthusone o'clock.

# A Brockville Viewpoint.

The sports writer of the Brockvile Recorder and Times gives full credit to the Frontenacs for winning there by 9 to 1 on Friday night, and praises the good combination and general all-round play of the visitors. He writes as follows: "The game was won through combination playing, fast-skating and superior stickhandling. Hamilton, Ont., Jan. 15 .- The early discovery of a threatening blaze saved St. Mary's Cathedral from destruction by fire Sunday. The flames which originated in the altar did several hundred dollars' damage, jastic, which is shown in the fact that and were eating their way through they practiced at the Harty arena to the main body of the church when one night last week from twelve to the smoke and reflection attracted the attention of neighbors. The es-

timated loss could not be given. Officials of the fire department and church were unable to offer any explanation as to the cause.

The gwas received at midnight, and the department made fast time through the deep snow, made dangerous for travel by a drizzling rain which added an ice coat. The altar was blazing fiercely when the time the total destruction of the handsome edifice was threatened.
