Wolfe Island Wins.

In the senior match at the Jock Harty Arena Wolfe Island defeated Cataraqui 3-2 and clinched the title of the southern senior group. They will play the winners of the Verona-Sunbury semifinal games set for Wednesday and Saturday next. The islanders were without the services of their star man, Spoor, and, as result were not as effective as usual. From a spectator's stand-point, however, it evened things up somewhat and provided a closer run. Both teams worked hard and the hockey played was some of the best seen in the county games this sesson

Elginburg vs. Cataraqui.

In the junior game at the Jock Harty Arena Cataraqui defeated Elginburg 5-0 and thus won their group. The play was a little loose but what they lacked in science they made up in willingness and hard work. Cataraqui clearly had the edge in so far as the teams could be compared but Elginburg put up a game fight and failed to break into the scoring only because they did not take advantage of their opportunities | holds the senior intercollegiate hocto shoot often enough. enough game but the superior combination and shooting of Sydenham told the tale. Sunbury worked very hard but the Sydenham defence proved impossible and their poor shooting from outside caused the Sydenham goal-keeper but little worry.

The return game will be played at Sunbury tomorrow, and, although Sunbury may make a better showing, they will hardly overcome that ninepoint lead. As one Sunbury supporter remarked to another over the telephone on Sunday, "Seems if us old fellows got a good fat man in goal to stop those shots we might do better with Sydenham than the young bunch."
