

Why Not You?

George Lawton was 29 (in 1902) when he took a 20-pay-life policy for \$5,000.

The annual premium was \$162.50, or a possible total cost of \$3,250.00.

But this was a participating policy.

The distribution of profits every five years so reduced his premiums that his actual payments only totalled \$2,701.40.

So that he had \$5,000 protection for 20 years at an average cost of \$135.

If he surrendered his policy today its value is \$474.60 more than its cost.

He is now in the prime of life. If he leaves his paid-up policy with us he will receive dividends as long as he lives.

And he will still have \$5,000 to bequeath to his family.

Charles B. Lewis

BROOKLYN.—Mark Twain, Bill Nye, and other famous humorists of the old school have long since passed away, but Charles B. Lewis, better known as M. Quad, who began writing his "Bowser" stories over 50 years ago, is still active and able to punch out his laughable tales on his pet typewriter.

Mr. Lewis was 81 years of age February 15. Ever since he was 25 years old he has been writing not less than six columns of humor for the newspapers weekly. The most famous of his characters are Mr. and Mrs. Bowser, the members of the Lime Kiln Club, and the Arizona Kicker.

Treasure Farm Yields Gold, Silver And Gems For Pennsylvania Owner

VALLEY FORGE, Pa.—A "treasure farm" belonging to Morris A. Barr of this county has produced not only fresh spring water and bumper crops, but deposits of platinum, tin, quicksilver, gold, topaz, sapphire, sardonyx, opals, lapis, lazuli, tourmaline, iron, aluminum, lead, silver, zinc, coal, vanadium and radium. The springs contain five different kinds of water—iron, sulphur, lime, alkaline and just plain water. The mineral water is now being used extensively for automobile storage batteries.

SIX-YEAR-OLD HAD BRONCHITIS EVERY WINTER

Bronchitis generally begins with chills, followed by fever and a harsh, dry, hacking cough. There is a raising of phlegm, which at first is of a light color, but, as the trouble progresses it becomes of a yellowish or greenish color and is sometimes streaked with blood.

All those who are troubled with bronchitis will find in Dr. Wood's Pine Syrup a remedy that will stimulate the bronchial organs, subdue the inflammation, soothe the irritated parts, and loosen the phlegm.

Mrs. Oliver C. LePage, South Rustico, P.E.I., writes:—"My little six-year-old girl had very bad attacks of bronchitis every winter. In the evening and during the night, she would have fever and choke up, and had a wheezing in her chest. We tried several cough medicines, but they never seemed to do her any good. A neighbor advised us to try Dr. Wood's Norway Pine Syrup, which we did, and after she had taken two bottles she got perfectly well."

Price 35c. and 60c. a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

Kathryn, nurse superintending one of the stations of the City Board of Health, Detroit, Mich.; Herbert J., of Richmond; William O., and Robert W., of Richmond, near the old family home; and Dr. Stanley M. Asseltine, of Windsor, Ont.

Mrs. Asseltine possessed in her nature much that is finest in life. Devoted to her home and family, her kind and cheerful disposition won for her the love of all who knew her. A sincere and life-long Christian, her life was to others a witness of the joy and influence of the faith she cherished. She was a member of the Methodist Church, and with her husband and family took a great interest in all its work. When the Marlbank Auxiliary of the Woman's Missionary Society was first organized, she became its Treasurer, and continued in that office until she was no longer able to take any active part in the work of the church.

During the last two years her health failed rapidly, but she kept her cheerful faith, and the end came peacefully as one falling asleep to awaken in that land where "the inhabitant shall not say, 'I am sick.'"

The funeral service was held in the Marlbank Methodist Church, on Feb. 9th, by Rev. W. H. Clarke, and her body placed in the Napanee vault. The bearers were her four sons, her son-in-law, Mr. Edward Nugent, and her grandson, Mr. Franklin McLaughlin. The interment will be made in the family cemetery at the Asseltine Hill.

"I Was Run Down"

"Body was completely covered with Boils"

"If you have ever had boils, you know how painful and annoying even one or two can be. But imagine having your whole body almost entirely covered with them! I am a watchmaker by trade, making a specialty of repairing the highest grade movements. This is probably the most trying of any mechanical work, particularly for a nervous individual like me. Working under great strain both day and night for three months, brought me almost to a state of collapse. I was so irritable and nervous that the slightest thing would send me up in the air. If I managed to get a few hours of sleep at night I was lucky. I had no appetite for food. I certainly was miserable. During this time boils began to appear on different parts of my body and the pain from them made life a misery. My suffering was so great at times that I felt there was nothing left for me to do but to end it all. I consulted doctors but they all told me that if I didn't give up my work and live out of doors, I would go into a decline. As I had no money I couldn't do this. In fact paying doctors' bills and buying medicines used up all the money I made. Finally in desperation, I decided that I would either kill or cure myself, so I began to study my case. I realized that I was as completely run down as any one could possibly be with a bad case of nerves. What I needed was building up. After reading descriptions of different preparations, the one which appeared to be the best for me was Carnol. It has simply performed miracles for me. Four bottles have done more than months of travel abroad. I feel like a two-year old. I sleep eight hours every night and eat three good meals a day. My skin is like a baby's, free from blemishes of any kind and I have now almost forgotten that I have ever had such things as nerves. I want everybody who is ailing to know about Carnol, because I have such faith in it. I believe it will cure any human ill."

Mr. J. H. Mc. C. Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money.
