And the Coats

OFFER A WIDE AND SATISFACTORY CHOICE, BOTH IN UTILITY AND SPORTS MODELS.

Spring often comes in like a lion, so you'll want a Spring Coat. Of course, there are other good reasons for wanting one. In the first place, the Coats in many cases have Cape Backs or Cape Sleeves, which are quite good-looking and a pleasant change from the perfectly straight Silhouette of winter.

Then there are the Sports Coats — developed along jaunty lines, with wide belt, large pockets, etc., following the military style.

As for colors, there are shades here to please every woman, in either plain or fancy Heather mixtures.
