Ford Announcement To All Ford Owners

Reduction in Prices of Genuine Ford Parts

Effective March 1st, 1923

WHAT amounts practically to a further reduction in the price of Ford Cars is represented in this lowering of prices for Genuine Ford Parts.

On March 1st every Ford Dealer and every Ford Service Station in Canada will supply Ford owners with Genuine Ford Parts at a substantial reduction in price.

Quantity production and increased efficiency has enabled the Ford organization to cut down the cost of parts. Now is the time to have your Ford overhauled before the Spring rush commences—and at a material saving over last year's prices.
