Two Good Games at Harty Arena on Friday Night-Ice in Bad Shape.

The Live Wires defeated R. C. A. by 3 to 2 and the Circle Six trimmed Granites by 4 to 1 in the doubleheader staged by the senior city hockey league at the Arena rase night. The win for Live Wires settles the issue in the older group, but the fued between Granites and their friends of the Circle Six may last until the hot weather is with us.

However, the majority of the crowd were pulling for the whitesweatered lads and from their allround play they more man deserved the victory. Some of the niftiest stick-handling of the season was dished up by these goungsters and the game was never dull at any moment. Although the teams may have to play two more games before their issue is decided, the Circle etz deserve all credit for their game showing when a loss would have meant elimination.

Although not winning as decisively as the Circle Six sextette, the Live Wires nosed out R. C. A. in the opening game of the evening. and convinced their opponent and the fans alike that they have a distinct edge on the latter team. 'The soldiers pressed all the time, but the winners had just the right amount of staying power to slam in the odd goal and to hold this advantage until the end.

The ice was soft throughout, and when the second game opened there were miniature lakes all over the surface. In spite of this both games were fast and the fans were given several times their money's worth.

The teams were Live Wires-Morris, goal; Sugel and Dunlop, defence; Bellringer, centre; Bullock and Watts, wings; Lawler and Murray, subs.

R. C. A .- Constantine, goal; Brownfield and Panet, defence; Dougal, centre: R. Pugh and M. Pugh, wings; McGrath and Southwell, subs.

Circle Six-Matheson, goal; Mc-Kelvey and Reynokis, defence, Mac-Pherson, centre; Kirby and Hartley, wings; Leggett and Patterson, subs. Granites Holman, goal, Bracken and Rice, defence; Carson, centre; Compeau and Grant, wings; Fowler and Montgomery, sugs. Referee-Jeo. Smith.

No Curling Matches There were no games played at the Kingston curling rink on Friday. The Weather Man was to blame for this, but it is of interest to note that this is the first break in the weather to interfere with the curling matches this winter. The followers of the roarin' game have had a great scason of sport, but it is by no means ended. Colder weather is predicted for next week, and then the remainder of the scheduled games will played off.

Since the public learned of the engagement of the Duke of York to Lady Elizabeth Bowes-Lyon, the papers have been flooded with copy of the "I knew her when -" type.
