Would Bar Intercollegiere The Ontario delegates attending the Canadian Amateur Hockey Association meeting in Winnipeg, are rather peeved at the suggestion of Saskatchewan and Manitoba that the intercoffegiate unions be barred from Allan Cup competition. The Ontario men even go as far to say that if the intercollegiate is barred Ontario might as well be counted ous. It is rather a drastic move because the intercollegiate in the East

is a very old body. In the west, especially in Saskatchewan, they want rules changed every time it affects some team and then if next season that new rule proves a hardship they want it removed again. They do not look to the future. However, none of the others are like that, in a general sense, though Manitoba is for barring intercollegiate unions.

### SENIOR CITY BASEBALL LEAGUE MET ON TUESDAY

#### Plans Discussed for Coming Season-Encouraging Reports.

The "fathers" of the new Kingston Senior Amateur Baseball League met in the Whig building on Tuesday evening. One of the main items on the programme was the drafting of a sound constitution for the organization, which carries a number of iron-bound rules and re-

gulations. President James Kane occupied the chair and owing to the absence of any but those directly interestel and those who hal to do with the reorganization of a senior baseball league in this city, a great deal more of the preliminary work was accomplished than if the meeting had been a general one.

After the tentative constitution had been drafted and accepted in detail, a general discussion took place with regard to various plans for the league. It is expected that a doubleschedule will be played. All games in the league must be concluded by the third Saturday in August in order that the championship team may participate in the O. B. A. play-

The league has been approached by several teams in the past few days, who are desirous of entering the new senior circuit. It is pointed out that the membership will be limited to four teams, and the league reserves the right to refuse the application of any team which does not come up to th standard required. Other important measures include a by-law that requires every player to have in his possesion an amateur card from the Amateur Athlotic Union of Canada before he will be allowed to compete in any regu-

Another meeting of the league executive will be held early next
