SEEKING A LOCATION FOR TOURISTS' CAMP

The Automobile Club Would Like to Secure Grounds of Sydenham Hospital.

The Kingston Automobile Association is engaged in seeking a location for a tourists' camp site that will be conveniently situated and yet be off the highway. The fair grounds and East View were proposed but they are not regarded as altogether satisfactory. Barriefield common is without shade trees and the golf club grounds in Portsmouth are not available. The club is now turning its attention to Sydenham hospital grounds which are declared to be ideal. Being on the waterfront, bathing can be indulged in and the beautiful trees provide cool shade in the hottest weather. The Sydenham military hospital is being taken over on Wednesday by the military authorities, to whom the property belongs, and H. D. Wightman, secretary of the Automobile club, will make an application to the general officer commanding M. D. No. 3, for the permission to use the part of the grounds not used for military purposes as a camp site. The club is most anxious to have the site settled early so that it may be published on the road maps to be distributed showing the facilities Kingston offers to the tourist.

VESTRY MEETINGS

Of St. Luke's, Kingston, and St. Mark's, Barriefield

The annual vestry meeting of St. Luke's church was held on Monday evening, with Rev. J. de P. Wright presiding. There was a good attendance and many encouraging reports were received concerning the work of the various church societies during the past year. The finances of the church were discussed and plans were made to help along some of the departments that were not on a sound basis. The election of officers resulted as follows: People's warden, A. J. Shannon; rector's warden, G. Compton; vestry clerk, George Holland; auditors, G. Holland and Sergt.-Major Clarke.

St. Mark's, Barriefield

The annual vestry meeting of St. Mark's church, Barriefield, was held on Easter Monday evening with Rev. A. O. Cook in the chair. Mr. Cook gave a short address, reviewing the work of the past year. Captain F. Vokes was re-elected vestry clerk. The auditor's report was presented by James Stewart, and showed that the expenditures for the year had been \$1,326.96. There was still a liability of \$200, but this was covered by assets and the church was free from all debt to start on another year.

Following the refusal to subscriptions had been much better than last year, and the special Easter offering had been very favorable. There were 120 communicants on Easter Day, every family in the parish being represented. The treasurer's report was very encouraging. All the members of the vestry board and the representatives to the Synod were re-elected. The name of H. Berry was added to the list of sidesmen. With reference to the financial year, the vestry resolved to hold the annual meeting in January, permission being received from the canon and passed by the synod. Votes of thanks were passed to the organist and choir, the altar guild, other guilds and officers of the church. The meeting was a most enthusiastic one.

Tuesday, April 10th, is the day of the R.C.H.A. band concert in Grant Hall.
