# NAPANEE WILL HAVE A COMMUNITY CLUB

Arthur Holder Knocked Down by Bicycle and Suffers a Fractured Leg.

Napanee, April 18.—The annual banquet of the Napanee Board of Commerce was held at the Campbell House on Monday evening. Mayor Alex. MacGregor was chairman. About a hundred, business men of the town and their friends, sat down to an excellent supper. After the toast of "The King" had been duly honored, George W. Gibbard introduced the speaker of the evening, Rev. J. H. Hanley, whose subject was the "Soul of Business." He spoke eloquently of the spiritual needs in the business of today. To attain success, he said, in business the requisites were activity, optimism, co-operation, courage and honest advertising. On motion of U. M. Wilson, C.C.A., a hearty vote of thanks was tendered to the speaker. During the evening, Fred Fisher sang several songs, which were highly appreciated. A resolution was passed appointing a committee to organize a Community Club in town. The singing of "Auld Lang Syne" concluded a most enjoyable evening.

A meeting of the Napanee Ministerial Association was held in Grace Methodist church on Tuesday afternoon. There was large attendance of ministers from town and surrounding country. An address was given by Rev. J. H. Hanley.

The annual vestry meeting of St. Mary Magdalene's church was held on Monday evening. The accounts presented by the church wardens showed a very satisfactory state of the finances of the congregation. During the year repairs have been made to the tower costing over \$350. New matting placed in the church, a sink installed in the basement, the memorial gas brackets wired for electricity, and other repairs and improvements made. The churchwomen's guild raised over a thousand dollars for these and other objects. The mission apportionment of \$498 was paid in full and all other obligations met. The Sunday school contributed over \$100 to the mission apportionment and also presented the church with an additional insurance policy for \$10,000, with the premiums paid for the next three years. Among the interesting statistics given in the annual report it may be stated that there are 151 families in the parish, the total church population is 715 and the Sunday school has 140 scholars. The vestry thanked all the organizations for their good work and passed a standing vote of appreciation of the services of the vicar, Rev. Rural Dean Coleman. The church wardens, W. S. Herrington, K.C., and W. J. Doller, and all the other officers were re-appointed. The lay delegates to synod are F. F. Miller, R. G. Wright, and T. B. Wallace. It was decided to mark with special observance the fiftieth anniversary of the laying of the corner stone of the church on July 1st, and to have a jubilee celebration next year when the building will have been in use for religious purposes for half a century.

Word was received on Friday last of the death at Jacksonville, Florida, of Miss Edith M. Scott, only daughter of the late Addison Scott. Deceased left here last fall to spend the winter in a milder climate, as her health had not been very good for several months previous to her departure. The remains are being brought to Napanee for interment. Two brothers, Blake and Roy Scott, are left to mourn.

Mrs. C. W. Vandervoort, wife of Sheriff C. W. Vandervoort, died on Sunday last. Deceased had been ill for about three months with anæmia. One daughter, Mrs. H. Fife, and one son, besides her husband, are left to mourn a loving wife and mother. Deceased was in her fifty-fourth year.

A distressing accident occurred yesterday afternoon when Arthur

# GANANOQUE

April 18.—Miss Elsie Wheeler, Gananoque, and Douglas Derbyshire Kingston, were quietly married in Kingston, on Monday afternoon, much to the disappointment of their many Gananoque friends, who had made great preparations for their wedding here that evening. Mr. and Mrs. Derbyshire will make their home in Kingston.

The minstrel show, given last evening in aid of the O. W. V. A. Building Fund, was a decided success. The hall was not large enough to accommodate those who wished to see the performance, consequently they are repeating it tonight. The boys were assisted by some of Gananoque's best talent.

A Canadian Club will be formed in Gananoque in the near future, and preliminary steps have been taken towards this end. At a meeting last evening in the council chambers provisional officers were elected: President, W. J. Wilson; vice-president, Andrew Edwards; secretary Clifford Sine; treasurer, F. W. Bell. Mrs. Ives Armstrong entertained a large number of her friends at progressive euchre on Monday evening. She was assisted by Mrs. E. S. Fyers and Miss Agnes Johnston.

Fred Mooney and David Byron motored to Kingston last evening. Miss Kathleen Boyle has returned from a week's visit with friends in Ottawa.

Wy. Mullin, who was called to Ottawa on the death of his brother returned to town yesterday. Harold Sheridan, Oshawa, was in town over the week-end, the guest of his parents. Byron Heaslip left yesterday for Toronto.

John Shine and Jack Lee motored to Ottawa, yesterday. Miss Mary Jeroy is visiting friends in Kingston.

The Social Club of the Daughters of Rebekah met at the home of Mr. and Mrs. Leslie Andress last evening.

# HOSE AND LADDER TRUCK

For Fire Department to Be Purchased From George Boyd, Reo Dealer.

At a meeting of the fire and light committee on Tuesday afternoon, tenders were opened for the purchase of a hose and ladder truck. Several firms submitted prices, but that of George Boyd, dealer in Reo trucks and cars, was accepted. The price is \$2,030. The body will be bought from Laturney's carriage factory at a cost of \$525. The decision was made in favor of the Reo because of power, capacity and service, all important considerations.

The chief of the fire department, James Armstrong, submitted a report of the recent test carried out by representatives of the Ontario Underwriters, when an accident happened to the waterous steam engine, due to leaky tubes according to samples exhibited by the chief. The engine was repaired as speedily as possible. The last set of new tubes was placed in the engine in February, 1920.

In view of the reduced water pressure as shown by the underwriters' test, Chief Armstrong stated that it is necessary that a pump should answer all box alarms and telephone alarms where the nature of the fire is known.

Upon a report being read from the veterinary officer, condemning the horse "Dan" it was decided to have it destroyed. The horse is past nineteen years old.

# Wesleyan College to Honor a Noted Missionary

Academic honor has come to one of the most practical missionaries in the announcement that Rev. George E. Hartwell, B.A., B.D., of West China, will receive the degree of doctor of divinity at the jubilee convocation of Wesleyan Theological College, Montreal, on Thursday says the Toronto Mail and Empire. Now resident on furlough at 85 Asquith Avenue, Toronto, Rev. Mr. Hartwell is a familiar figure on a soap box on market day in the towns of Sze-Chwan Province and on the Tibetan borders. Graduated in arts at Queen's University, Kingston, and in theology at Drew Seminary, New Jersey, Mr. Hartwell was one of the party who founded the Canadian Methodist Mission in China in 1891. For over thirty years he has been rubbing shoulders with Chinese crowds in fairs and bazaars, and has trained scores of native preachers. Mr. and Mrs. Hartwell will return to China this year. Miss Geraldine Hartwell, one of their six children, is the first of the second generation of missionaries among the nearly 200 workers in the mission.
